Maverick Mindset:

The Maverick Mindset Doug Hall, David Wecker, 1997 Provides insights from the author's life and other mavericks' lives to encourage readers to believe in themselves, embrace the unknown, and make connections with family and friends

Get Your Mind Set Jay Arnott, 2020-07 When you live in a land where money and success are often your greatest concerns, real outcomes become the result of iteration and creative flexibility. *Get Your Mind Set* is a book that lays the foundations to stop being square and stop staying stuck. For example, many small business owners think square when they want to monetize their passion. Most focus only on the model and marketing method. They place all their efforts and hard-earned cash into some Guru's Roadmap, Blueprint, or Secret Steps, only to hit a wall. That's because content alone will not get you there. First, you need a foundation for dealing with the process so that you can get out of your own way and create success in advance. By viewing the world differently from the position of a maverick, one who dares to do different in order to get different results, the maverick mindset will get you there. Arisen from the author's experiences with less mainstream approaches to mindset change, *Maverick Mindset* Skills are tools and principles designed to flip beliefs, emotional states, and perspectives.
