**Encyclopedia of Linguistics** Philipp Strazny,2005 Utilizing a historical and international approach this valuable two volume resource makes even the more complex linguistic issues understandable for the non specialized reader Containing over 500 alphabetically arranged entries and an expansive glossary by a team of international scholars the Encyclopedia of Linguistics explores the varied perspectives figures and methodologies that make up the field *Introduction to Contemporary Linguistic Semantics* George L. Dillon,1977 **Hermeneutics, Linguistics, and the Bible** Stanley E. Porter,2024-01-25 The volume presents Stanley E Porter s considered thoughts and reflections on key questions of meaning and context addressing the problems of biblical interpretation and how a close collaboration between hermeneutics and linguistics can help to solve them The chapters display Porter s work in both fields examining how hermeneutics functions as a field in modern biblical studies and how the quest for meaning in biblical texts is underpinned by the study of linguistics The volume focuses on context for understanding the meanings of biblical texts Porter suggests that linguists can learn more from the philosophical questions around meaning that hermeneutics apply in their study of biblical texts and that there is more fruitful work to be done in the field of hermeneutics using insights from linguistics *Semantics* James R. Hurford,Brendan Heasley,Michael B. Smith,2007-04-19 This practical coursebook introduces all the basics of semantics in a simple step by step fashion Each unit includes short sections of explanation with examples followed by stimulating practice

exercises to complete in the book Feedback and comment sections follow each exercise to enable students to monitor their progress No previous background in semantics is assumed as students begin by discovering the value and fascination of the subject and then move through all key topics in the field including sense and reference simple logic word meaning and interpersonal meaning New study guides and exercises have been added to the end of each unit to help reinforce and test learning A completely new unit on non literal language and metaphor plus updates throughout the text significantly expand the scope of the original edition to bring it up to date with modern teaching of semantics for introductory courses in linguistics as well as intermediate students
