Uttamsingh, 1989 **Principles of Expert Systems** Amar Gupta, Bandreddi Eswara Prasad, 1988 **Expert Systems Integration** Society for Worldwide Interbank Financial Telecommunication, 1991. An international group of system developers and managers from the financial industry and their suppliers met to discuss the practical concerns and directions which affect their tasks in introducing and integrating expert system technology into conventional banking environments. The group concentrated on real experience and present needs rather than theoretical possibilities or limited prototype applications. These proceedings cover the highlights of that meeting, focusing on a wide range of integration projects involving systems from PCs to mainframes and networks. Four major discussion sessions: hardware choice, software choice, management and methodological issues, and future directions have been included to provide direct insight to the practical concerns which affect and motivate today's system developers.
