family hoarders taught us about the tremendous emotional toll it takes on those who live or love hoarders Unlike the hoarding therapy that is depicted on popular television shows we learned that the emergency clean up is not the time to begin a hoarder s therapy In fact involving the hoarder in the initial clean up can be detrimental to his recovery We do not approach the necessary and ongoing treatment required for a hoarder to overcome his hoarding tendencies but we have learned how to ease the mind of a hoarder during an emergency clean up as we created a safe healthy and happy living environment for him when he is unable to establish this for himself We hope our experiences can help you and your loved one who hoards Kindle version only 99 cents ASIN B00CURHRPM
