Ciulla, Clancy W. Martin, Robert C. Solomon, 2024 Designed for undergraduate graduate and executive business ethics courses *Honest Work A Business Ethics Reader* demonstrates that business ethics is primarily about the ethics of individuals With a unique focus on the personal dimension of ethics it challenges students to consider the relationship between the ways in which people do business and the kind of lives they want to live It features 105 brief articles and 70 real life case studies and poses study questions at the end of each reading and chapter In addition a chapter on leadership explores the relationship between leadership and ethical behavior in business *Honest Work* Joanne B. Ciulla, 2018 Combining readings and case studies this text asserts that business ethics is primarily about the ethics of individuals and challenges students to reconcile their personal value systems with standard business practice With a unique focus on the personal dimension of ethics this is a practical overview of the ethical issues students are most likely to face in the workforce *Encyclopedia of leadership* George R. Goethals, 2004-03-19 Click Additional Materials for downloadable samples Not just for reference this is an essential learning resource for libraries and the personal collections of modern leaders Narratives examples photographs and illustrations illuminate the ideas and concepts being examined making the set readable attention grabbing and unordinary Readers can explore leadership theories and practices and examine the effects of leadership More volumes are promised in this source that brings interest and excitement to a subject overlooked by the consultants CEOs and coaches whose earlier works captured a small view of leadership subject matter Summing Up Highly recommended for all collections **CHOICE** Because there really is nothing available like this encyclopedia it is a must buy for academic libraries Extremely well done with good quality print and

illustrations this work should become an important resource for active citizens as well as for managers and scholars

BOOKLIST starred review Because of its breadth ease of navigation high level of scholarship clear writing and practical format this model encyclopedia should help establish leadership as a normative field of study Highly recommended LIBRARY JOURNAL star review SAGE has again been the first to hit the market with a major reference in a rapidly growing field of the social sciences Virtually every academic and large public library will need the Encyclopedia of Leadership BOOK NEWS

The enormous demands on leadership in today's world the rise of militant followings the struggle of long suppressed people to rise to leadership positions the heightened demand for moral principled leadership all these dynamic forces contribute to making this encyclopedia timely and timeless

From the Foreword by James MacGregor Burns Williams College author of Leadership and winner of the Pulitzer Prize and National Book Award As the field of leadership studies expands and the list of important authors and concepts grows the time is at hand for a comprehensive encyclopedia of leadership This collection will be welcomed by all who want to understand this important and complex field

Howard Gardner John H and Elisabeth A Hobbs Professor of Cognition and Education at the Harvard Graduate School of Education and author of Good Work When Excellence and Ethics Meet 2001 and Leading Minds An Anatomy of Leadership 1995

In 1975 a wag declared that the concept of leadership should be abandoned It was not of course The 300 contributors to the Encyclopedia of Leadership are leaders among the many thousands of scholars responsible for the health and vast breadth of leadership studies They show us that leadership plays an important increasingly integral role today in fields ranging from world politics to community development

Bernard M Bass Distinguished Professor Emeritus Center for Leadership Studies School of Management Binghamton University and author of Transformational Leadership Industrial Military and Educational Impact 1998 and Leadership and Performance beyond Expectations 1985

This new Encyclopedia provides leaders with the historical perspective and a vision of the tenuous future so essential if leaders of the future are to redefine leadership on their own terms with their own people

Frances Hesselbein Chairman of the Board of Governors Leader to Leader Institute formerly the Drucker Foundation and coeditor of On Creativity Innovation and Renewal A Leader to Leader Guide 2002 and Leading Beyond the Walls 1999

From the earliest times people have been entranced by stories about leaders about Greek city state rulers Roman consuls Chinese emperors religious potentates military conquerors and politicians Perhaps more importantly leadership is a challenge and an opportunity facing millions of people in their professional and personal lives

The Encyclopedia of Leadership brings together for the first time everything that is known and truly matters about leadership as part of the human experience

Developed by the award winning editorial team at Berkshire Publishing Group the Encyclopedia includes hundreds of articles written by 280 leading scholars and experts from 17 countries exploring leadership theories and leadership practice

Entries and sidebars show leadership in action in corporations and state houses schools churches small businesses and nonprofit organizations

Questions the Encyclopedia of Leadership will answer What is

a leader What is a great leader How does someone become a leader What are the types of leadership How can leadership theories help us understand contemporary situations How can I be a good and maybe great leader The Encyclopedia of Leadership is an unprecedented learning resource Scholars students professionals and active citizens will turn to the Encyclopedia for guidance on the theory and practice of leadership for the stories of great leaders and for the tools and knowledge they need to lead in the 21st century Key Features Four volumes 400 substantive articles ranging in length from 1000 6000 words 200 photographs and other illustrations 250 sidebars drawn from public records newspaper accounts memoirs and ethnography Key Themes Biographies Case studies Followers and followership Gender issues Leadership in different disciplines Leadership in different domains Leadership styles Personality characteristics Situational factors Theories and concepts The Encyclopedia of Leadership will be a vital tool for librarians with collections in business management history politics communication psychology and a host of other disciplines Students and teachers in courses ranging from history to psychology anthropology and law will also find this an invaluable reference In addition there are nearly 900 leadership programs in American post secondary institutions and a growing number of efforts to develop leadership in high schools There are leadership studies majors and minors as well as certificate and Ph D programs in the United States Belgium U K Japan and elsewhere Editorial Board Laurien Alexandre Antioch University Bruce Avolio University of Nebraska Lincoln Martin Chemers University of California Santa Cruz Kisuk Cho Ewha Womans University Joanne Ciulla University of Richmond David Collinson Lancaster University UK Yiannis Gabriel Imperial College London Zachary Green Alexander Institute and University of Maryland Keith Grint Oxford University Michael Hogg University of Queensland Jerry Hunt Texas Tech University Barbara Kellerman Harvard University Jean Lipman Blumen Claremont Graduate University Lorraine Matusak LarCon Associates Ronald Riggio Claremont McKenna College J rgen Weibler Fernuniversitat Hagen Contributors Include Warren Bennis Management John Chandler Higher Education Cynthia Cherrey International Leadership Association Bob Edgerton Mau Mau Rebellion Gene Gallagher Religion Betty Glad Camp David Accords and Tyrannical Leadership Louis Gould Woodrow Wilson and Lyndon Johnson Allen Guttmann Modern Olympics Movement and Women s Movement Ronald Heifetz Adaptive Work Dale Irvin Ann Lee David Malone Billy Graham Martin Marty Martin Luther Kenneth Ruscio Trust Robert Solomon Friedrich Nietzsche Robert Sternberg Intelligence and Tacit Knowledge Fay Vincent Sports Industry Gary Yukl Influence Tactics and Group Performance The Oxford Handbook of Meaningful Work Ruth Yeoman, Catherine Bailey, Adrian Madden, Marc Thompson, 2019-01-03 The Oxford Handbook of Meaningful Work examines the concept practices and effects of meaningful work in organizations and beyond Taking an interdisciplinary approach this volume reflects diverse scholarly contributions to understanding meaningful work from philosophy political theory psychology sociology organizational studies and economics In philosophy and political theory treatments of meaningful work have been influenced by debates concerning the tensions between work as unavoidable and

necessary and work as a source of self realization and human flourishing This tension has come into renewed focus as work is reshaped by technology globalization and new forms of organization In management studies much empirical work has focused on meaningful work from the perspective of positive psychology but more recent research has considered meaningful work as a complex phenomenon socially constructed from interactive processes between individuals and between individuals organizations and society This Handbook examines meaningful work in the context of moral and pragmatic concerns such as human flourishing dignity alienation freedom and organizational ethics The collection illuminates the relationship of meaningful work to organizational constructs of identity belonging callings self transcendence culture and occupations Representing some of the most up to date academic research the editors aim to inspire and equip researchers by identifying new directions and methods with which to deepen scholarly inquiry into a topic of growing importance

Responsible Leadership Nicola Pless, Thomas Maak, 2006-03-01 While there is a high demand for knowledge on responsible leadership there has been till now no source able to meet that demand Enron Worldcom and other high profile cases of management and leadership misconduct have highlighted the need for such a book to provide crucial insights on key issues including responsible leadership leadership competencies and the development of responsible leaders Meeting this need experts in the field of business and leadership ethics have now been brought together to write this vital text the first of its kind It answers the challenge of defining responsible leadership in an era of globalization and as such is highly topical and relevant to all those on the path to becoming responsible leaders Topical and timely this first rate edited collection provides the reader with insights orienting knowledge and best practice cases in the field and is essential reading for all business students academics and professionals concerned with leadership in twenty first century business

Praxiological Essays Wojciech W. Gasparski, 2017-09-26 The 25th volume in the series Praxiology The International Annual of Practical Philosophy and Methodology brings a praxiological perspective to current issues facing our society In sixteen brand new essays a team of international scholars expands praxiology beyond the borders of its historically philosophical application and uses it to address real world problems in a variety of fields The volume outlines new approaches and reflections on traditional praxiological method and then applies these developments as tools in fields as diverse as ethics psychology sociology economics management and entrepreneurship Grounded in the tradition of the Polish praxiologist Tadeusz Kotarbiński 1886-1981 the 25th volume entitled Praxiological Essays Texts and Contexts highlights the rich mosaic of issues perceived in the practice of human action and carries a tradition of Praxiological inquiry forward into our contemporary philosophy methodology and social sciences

Of Mottos and Morals Mike W. Martin, 2013 Whether in slogans catchphrases adages or proverbs we encounter mottos every day but we rarely take time to reflect on them In Of Mottos and Morals Simple Words for Complex Virtues Martin explores the possibility that mottos themselves are worthy of serious thought examining how they contribute to moral guidance and help us grapple with complexity

Passion, Death, and Spirituality Kathleen

Higgins, David Sherman, 2012-05-30 Robert C Solomon who died in 2007 was Professor of Philosophy and Quincy Lee Centennial Professor of Business at the University of Texas USA As the first book comprehensively to examine the breadth of Solomon's contribution to philosophy this volume ranks as a vital addition to the literature It includes a newly published transcript of Solomon's last talk which responded to Arindam Chakrabarti on the concept of revenge as well as the considered views of prominent figures in the numerous subfields in which Solomon worked The content analyses his perspectives on the philosophy of emotion virtue business ethics and religion in addition to philosophical history existentialism and the many other topics that held this prolific thinker's attention Solomon memorably defined philosophy itself as the thoughtful love of life and despite the diversity of his output he was most drawn by central questions about the meaning of life the essential role that emotions play in finding that meaning and the human imperative to seek emotional integrity in which one's thoughts emotions and actions all contribute to a coherent narrative The essays included here draw attention to the interconnections between the issues Solomon addressed and evince the manner in which he embodied that integrity living a life at one with his philosophy They emphasize the central themes of passion ethics and spirituality which threaded through his work and the way these ideas informed his views on how we should approach grief and death The multiplicity of topics alone make this keystone work an enlightening read for a full spectrum of students of philosophy providing much to ponder and recounting a subtle and shining example of the emotional integrity Solomon worked so hard to define
