Naiman,2020-04-28T00:00:00Z In 2011 protesters around the world including Canada called for changes to the societies in which they live Many observers were asking What do they want Some answers to this question can be found in How Societies Work a unique and accessible introductory sociology textbook that introduces students to the structure of contemporary societies and the power relationships within them In contrast to most introductory textbooks How Societies Work explores a broad range of sociological concepts and theories while simultaneously creating a coherent picture of modern societies Drawing on fields as diverse as anthropology genetics economics social psychology history and politics this innovative and popular text looks at both the roots of modern societies and the current structures within them This approach helps undergraduate students make sense of our complex social world and encourages them to connect the social world to their own lived experiences This extensively revised and updated fifth edition includes discussions of the roots of the recent global economic crisis and worldwide responses to it growing social inequality broader global struggles for change the growth of the security state in Canada and the sudden resurgence of political protest in North America The final chapter looks to the future examining such issues as the possible consequences of climate change increased forced migration of peoples and the

changing dynamic of global power More boxes quotes and think about it elements have been added to the fifth edition while the language clarity of presentation and many examples make it even more accessible to readers It is an introductory textbook that truly engages students in the sociological imagination This fifth edition is presented in a large format making it easier to read and even more student friendly A testbank and power point presentation are available for instructors upon request

**How Societies Work** Joanne Naiman,2008 How Societies Work offers a unique introduction to the analysis of contemporary Canadian society by focusing on both the roots of modern societies and the current political economy of Canada Drawing on various sociological theories as well as anthropology genetics economics history philosophy politics and social psychology this accessible and integrated work helps undergraduate students make sense of our complex social world The author s goal is to open students minds to the sociological imagination allowing them to connect the social world to their own lived experiences For the fourth edition the book has been thoroughly revised Several chapters have been reorganized many new topics have been added and overall both the language and content have been made even more student friendly

Book jacket **Western Social Thought, Vol. 2: The Contemporary Masters** J.P. SINGH,2022-01-01 In this book an effort has been made to offer students a lively and critical introduction to contemporary sociology It is written with a range of students in mind It will also be of interest to anyone curious about the nature of cotemporary sociology in the West The book critically examines the major contemporary social thinkers from Claude L vi Strauss 1908 2009 to Randall Collins born 1941 The sociological thinkers covered in this book are Claude L vi Strauss Lewis Alfred Coser Charles Wright Mills Harold Garfinkel Louis Pierre Althusser Peter Michael Blau Erving Goffman Jean Fran ois Lyotard Paul Michel Foucault Peter Ludwig Berger Gustav Dahrendorf Jean Baudrillard J rgen Habermas Jacques Derrida Pierre Bourdieu Immanuel Maurice Wallerstein Anthony Giddens and Randall Collins Modern social theory is an essential text for sociology students and will also be welcomed by those readers who are interested in social and political theory social psychology organization studies and cultural studies The book will be useful for students as well as teachers of sociology anthropology political science and history

*Ottawology* Tonya K. Davidson,2025-10-30T00:00:00Z Ottawa is often understood only as the seat of the federal government marked by the neo Gothic parliament buildings on the hill and the many government office buildings Lively erudite and exciting *Ottawology* offers a unique and radical approach to studying the city injecting it with intrigue and verve and expanding collective narrow understandings of Canada s capital city Tonya Davidson takes readers on a wide ranging journey through a city populated not only by power brokers but also workers students seniors trees eels turtles skaters and rabble rousers Davidson applies her prodigious sociological imagination to critically explore an essential but little understood city Davidson s *Ottawa* offers a fascinating template for how to scrutinize the interactions between the weight of history and the effervescent motion of everyday life in a city She draws surprising connections from the role of the civil service to the acceleration of suburban sprawl and the one time incredible success of the city s bus rapid transit system to stories of

nightlife policing play libraries rivers and malls Davidson traverses the city's streets and hidden histories to show how social structures sustainability and social life intersect creating an elegant chronicle of the city's rich and fraught social life

**How Societies Work** Joanne Naiman, 2000 Structure of capitalism the nature and history of social class and the role of the state government Attention is also paid to social inequality in Canadian society as manifest in income race ethnicity and gender as well as to the ways in which the agents of socialization particularly the mass media and the education system help perpetuate the dominant ideologies Back cover Social Work, Social Justice & Human Rights Colleen Lundy, 2011-01-01 The second edition of this popular social work practice text more fully addresses the connection between social justice and human rights *Canadian Books in Print*, 2003 **American Book Publishing Record**, 2001 How Societies Work Joanne Naiman, 2012 Forthcoming Books Rose Arny, 2003 **In Conflict and Order** D. Stanley Eitzen, Maxine Baca Zinn, 2001 This conflict perspective introductory paperback text emphasizes four themes diversity the struggle to achieve social justice economic and global transformations in the U S and a global perspective In Conflict and Order studies the forces that lead to both stability and change in society As it examines the standard topics in an introductory course the authors show how social problems are structural in origin While the pace of social change is increasing society's institutions are resistant to change Eitzen and Baca Zinn challenge students to develop a sociological perspective by questioning their own basic beliefs and to debate the facts rather than merely accepting the authors way of looking at the world **Books in Print Supplement**, 2002 **Medical and Health Care Books and Serials in Print**, 1997 *Books in Print*, 1977 Business Books and Serials in Print, 1977 The Publishers' Trade List Annual, 1979 **Bulletin of the Public Affairs Information Service** Public Affairs Information Service, 1986 Paperbound Books in Print, 1984 *PAIS Bulletin*, 1986
