Project Name: HR Summit – Student Resume Builder and Networking

Project Owner: Ashley Alexoff, Erica Brandon, Carissa Klein, Cody McIntosh, Lauren Savasky, and Melissa Soss

HR Area: Recruiting **Project Status:** In Progress

Background:

During the Fall 2013 semester the HR Department at Kent State University held several HR Forums to host keynote speakers and a panel of HR professionals. The forums gave students the opportunity to learn, ask questions, and network with the speakers after the presentations. For Spring 2014, the department decided to switch up the format and offer a daylong "HR Summit" which will include a keynote speaker, breakout sessions and an opportunity for Kent State students to formally network with business professionals. Prior to the HR Summit students interested in attending the networking session will be required to submit their resumes to be reviewed and enhanced and then distributed to business professionals.

Business Purpose:

The purpose of the networking portion of the HR Summit is to help students become more comfortable networking with professionals. Resume and networking preparation will be the keys to success in uncovering job and internship leads by many students attending the event.
