

CIVIL PROCEDURE CODE 1908 AND LIMITATION ACT 1963

COURSE OBJECTIVES:

Study of procedural law is enormously pertinent for law students. This course is designed to acquaint the students with the various stages through which a civil case passes through in the courts of law. The course also includes law of limitation. The course aims to assist the students to understand the practice and procedure in the conduct of suits in and out of the court. It will also analyse this consolidated code with the substantive laws with regard to the procedure to be followed by the civil courts and thereby help in facilitating justice. The course thus explains in detail the role of civil court and the procedures to be followed in the administration of civil justice. Overall, this course makes an endeavour to familiarize the students with the plaints, written statements, Interlocutory applications, issuance of commissions, trial and other aspects of civil court proceedings which prepares the students adequately for practice in courts.

COURSE OUTCOMES:

After completing this course, the students will be able to:

1. Understand the Civil Court procedures to be followed in India.
2. Recall and apply the standard and uniform procedure to deal with the civil matters in issue.
3. Identify the procedure of execution of decrees, attachment and sale of property in execution and the importance of limitation of time in filing of suit, debt recovery, filing of appeals, review, revision and impact of delay on suit or appeal.
4. Apply the rules relating to the procedure of issuance of summons, substituted service of summons, admission and impounding of documents and conducting civil trial in courts.
5. Understand the procedure of examination of witnesses and different categories of witnesses involved in a suit or proceeding.
6. Identify a lawyer's professional obligations at each stage in the life cycle of a lawsuit.
