Using Information

Technology Stacey C. Sawyer, Brian K. Williams, 2000-10

Information Technology in Librarianship Gloria J. Leckie, John E. Buschman, 2009 In the last 15 years the ground both in terms of technological advance and in the sophistication of analyses of technology has shifted At the same time librarianship as a field has adopted a more skeptical perspective libraries are feeling market pressure to adopt and use new innovations and their librarians boast a greater

awareness of the socio cultural economic and ethical considerations of information and communications technologies Within such a context a fresh and critical analysis of the foundations and applications of technology in librarianship is long overdue
