The State of Black Progress Star Parker, 2024-03-19 Black Americans have arguably arrived at the height of their cultural prominence In politics entertainment academia and nearly every sphere of influence black issues dominate the national discussion Yet many black Americans are suffering more than ever from the blight of poverty physical and mental health struggles lack of opportunity and failing schools How do these signs of success on the surface coexist with social stagnation on the ground in the black community This edited volume sponsored by the Center for Urban Renewal and Education and featuring contributions from W B Allen Judge Janice Rogers Brown ret Ian Rowe Sally Pipes Stephen Moore and others addresses this question in light of American values and the history of constitutional jurisprudence In the 1860s black America was promised emancipation but continued to experience subjugation In the 1960s black America was promised equality but was frequently exploited Racial discrimination played a role but in the intervening decades misguided progressive policies and the normalization of victimhood rhetoric has proven even more disastrous By failing to live up to American ideals our nation denied many black Americans their chance at the American Dream The scholars and luminaries who contributed to this volume believe that what has been lost can be recovered If our nation recognizes the history of our current predicament embraces the founding principles that made America an economic powerhouse and commits to an agenda of empowering fiscal educational and faith and family affirming policies then black Americans can overcome the obstacles that most hamper progress in their communities

When Texas Prison Scams Religion Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus

works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars *The British National Bibliography* Arthur James Wells,2004
