**Being There Jerzy Kosinski:**

    **Being There** Jerzy Kosinski,2007-12-01 A quirky brilliant novel starring Chauncey Gardiner an enigmatic man who rises from nowhere to become a media phenomenon a fabulous creature of our age Newsweek One of the most beloved novels by the New York Times bestselling and National Book Award winning author of The Painted Bird and Pinball Being There is the story of a mysterious man who finds himself at the center of Wall Street and Washington power including his role as a policy adviser to the president despite the fact that no one is quite sure where he comes from or what he is actually talking about Nevertheless Chauncey Chance Gardiner is celebrated by the media and hailed as a visionary in this satirical masterpiece that became an award winning film starring Peter Sellers As wise and timely as ever Being There is a tantalizing knuckleball of a book delivered with perfectly timed satirical hops and metaphysical flutters Time     **Being There and the Evolution of a Screenplay** Aaron Hunter,2022-08-25 Being There and the Evolution of a Screenplay provides an insightful look at the drafting of one of Hollywood history s greatest scripts Being There 1979 is generally considered the final film in Hal Ashby s triumphant 1970s career which included the likes of Harold and Maude 1971 and Shampoo 1975 The film also showcases Peter Sellers s last great performance In 2005 the Writers Guild of America included Being There on its list of 101 Best Scripts Being There and the Evolution of a Screenplay features three versions of the script an early draft by Jerzy Kosinski based on his 1970 novel a second by long time Ashby collaborator and Oscar winner Robert C Jones which makes substantial changes to Kosinki s and a final draft written by Jones with Ashby s assistance which makes further structural and narrative changes Additionally the book features facsimile pages from one of Kosinski s copy of the scripts that include handwritten notes providing readers with valuable insight into the redrafting process For each version Ashby scholar Aaron Hunter adds perceptive analysis of the script s development the relationships of the writers who worked on it and key studio and production details This is both a presentation of the script of Being There and a record of the process of crafting that script a text that will be of interest to film fans and scholars as well as writers and teachers of screenwriting Evolution of a Screenplay is the first book of its kind to so amply demonstrate the creative development of a Hollywood script     **Being There in the Age of Trump** Barbara Tepa Lupack,2020-08-20 Jerzy Kosinski s Being There published in 1970 and adapted to film in 1979 was prescient in its vision of a simple man without discernible talent or political experience whose knowledge of the world comes almost exclusively from television Yet his very shallowness establishes him as a TV celebrity and propels him to the pinnacle of American government Both an incisive satire and a clarion call to resist the collectivizing force of the media that influences American life and shapes distorts and ultimately corrupts politics and culture Being There offered a trenchant comment on the nature of being in the modern world of power And it critiqued the tendency of Americans to seek mindless distraction rather than engagement and to find profundity in banal slogans and slick visuals Issued a half century ago Kosinski s warning not to let hollow imagery trump our good sense and become our new reality is even more urgent

today The first book length examination of Kosinski in more than a decade Being There in the Age of Trump goes beyond conventional literary and film analysis to a larger interdisciplinary and cultural study of a work still timely and popular
