**C. S. Lewis's Mere Christianity** George M. Marsden,2020-02-25 The life and times of C S Lewis s modern spiritual classic Mere Christianity C S Lewis s eloquent defense of the Christian faith originated as a series of BBC radio talks broadcast during the dark days of World War Two Here is the story of the extraordinary life and afterlife of this influential and inspiring book George Marsden describes how Lewis gradually went from being an atheist to a committed Anglican famously converting to Christianity in 1931 after conversing into the night with his friends J R R Tolkien and Hugh Dyson and how his plainspoken case for Christianity went on to become one of the most beloved spiritual books of all time [Behold the Man](#) Peter S. Williams,2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies **A Faithful Guide to Philosophy** Peter S Williams,2013-08-01 A major new introduction to Philosophy from a Christian viewpoint A Faithful Guide to Philosophy is the only British Christian introduction to Philosophy a book that will be used as a course textbook and by church study groups and individual readers alike It covers subjects of central importance to the Christian worldview the relationship between faith and reason the objective reality or truth goodness and beauty the existence and nature of God the existence of the human soul and of free will and so on from a philosophical viewpoint This is the broadest range of topics covered by any Christian introduction to Philosophy and will be prized by many *Getting at Jesus* Peter S. Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus *Stepping Stones to Christianity* Peter S. Williams,2025-10-17 Stepping Stones to Christianity introduces a rational case for Christianity in three steps starting with scientific arguments for design in cosmology and biology moving on to philosophical arguments for the existence of God and closing with an overview of the evidence for a Christian understanding of the historical Jesus in the context of competing contemporary worldviews By bringing together revised and expanded versions of materials written to introduce three of the author s Essays on books with Wipf Stock Stepping Stones to Christianity equips readers to consider the case for design in nature to investigate philosophical arguments for God and to wrestle with the identity of Jesus **The**

**Yes Or No?** Peter Kreeft, 1990-12-31 The popular Christian apologist Kreeft tackles many of the tough questions of our day concerning Christianity In a series of imaginative dialogues Sal the Seeker and Chris the Christian deal with the profound mysteries of the Gospel The result is a book that is both engaging and profound a book that leads readers to initial faith or to deeper faith The stakes in these dialogues are high Christianity is God s marriage proposal to the soul says Kreeft and the answer must be yes or no We can evade the claims of Jesus Christ for a while but death brings evasion to an end It is wiser to look at Christianity honestly now Yes or No shows the truth of Jesus promise that those who sincerely seek the truth shall find it It is a road map for those who are honestly seeking the truth and a source of greater faith for those how have already found God It presents the full challenge of the gospel in a way modern men and women can understand **Between Heaven and Hell** Roger Riley Clark, 1993 Making Sense Out of Suffering Peter Kreeft, 1986 Peter Kreeft observes that our world is full of billions of normal lives which have touched by apparently pointless and random suffering He then records the results of his own wrestling match with God as he struggles to make sense out of this pain **Between Heaven and Hell** Ralph Cotton, 2006 Christianity for Modern Pagans Peter Kreeft, 1993 Peter Kreeft believes that Baise Pascal is the first post medieval apologist No writer in history claims Kreeft is a more effective Christian apologist and evangelist to today s uprooted confused secularized pagans inside and outside the Church than Pascal He was a brilliant man a great scientist who did major work in physics and mathematics as well as an inventor whom Kreeft thinks was three centuries ahead of his time His apologetics found in his Pensees are ideal for the modern sophisticated skeptic **I Burned for Your Peace** Peter Kreeft, 2016-06-17 Popular author and philosopher Peter Kreeft delves into one of the most beloved Christian classics of all time Augustine s Confessions He collects key passages and offers incisive commentary making Confessions accessible to any reader who is both intellectually curious and spiritually hungry The Confessions is a dramatic personal narrative of a soul choosing between eternal life and death an exploration of the timeless questions great minds have been asking for millennia and a prayer of praise and thanksgiving to God I Burned for Your Peace is not a scholarly work but an unpacking of the riches found in Augustine s text It is existential personal and devotional as well as warm witty and thought provoking With Kreeft to

**Three Philosophies of Life** Peter Kreeft,1989 I've been a philosopher for all my adult life and the three most profound books of philosophy that I have ever read are Ecclesiastes Job and Song of Songs These are the opening lines of Kreeft's Three Philosophies of Life He reflects that there are ultimately only three philosophies of life and each one is represented by one of these books of the Bible life is vanity life is suffering life is love In these three books Kreeft shows how we have Dante's great epic The Divine Comedy played out from Hell to Purgatory to Heaven But it is an epic played out in our hearts and lives here and now Just as there is movement in Dante's epic so there is movement in these books from Ecclesiastes to Job from Job to Song of Songs Love is the final answer to Ecclesiastes quest the alternative to vanity and the true meaning of life Finally Kreeft sees in these books the epitome of theological virtues of faith hope and love and an essential summary of the spiritual history of the world
