Bank Rakyat:

Islamic Management Practices in Financial Institutions Khaliq Ahmad, 2021-12-30 This book draws on a range of theoretical foundations approaches and management practices that are culturally and jurisdictionally appropriate in several Muslim countries As such it contributes to an emerging specialism in comparative management and leadership theory that is oriented toward a broader and more diverse set of perspectives particularly from the non Western world given that the importance of values ethics and culture have recently been recognized as a key contributing factor to management knowledge development The author offers an in depth overview of the Islamic management strategies that have successfully been implemented in selected Malaysian banking and non banking financial institutions and then outlines how the application of such strategies leads to increased integrity efficiency and performance The book is divided into three parts The first part deals with the introduction historical background and methods used in collection of data The second part consists of a range of real world case studies while part three deals with the approaches to be used in the teaching of these cases followed by conclusions and recommendations These cases studies map the strategic aspects of organizational structure and illustrate the motives that influence Malaysian managers choices in seeking specific responses to the situations at hand which are in harmony with the traditions in Islamic inquiry As such management scholars can build a foundation for conceptual and theoretical propositions relevant to Muslim culture and environment that will have practical significance The book provides a wealth of information and enables researchers not only to identify the determinants of knowledge structure and its context but also the evolution of practice

Strategic Management from an Islamic Perspective Rodrigue Fontaine, Khaliq Ahmad, 2013-07-16 Fascinating insights into modern strategic management from an Islamic perspective While strategic management is a cornerstone of any MBA program it s almost always taught from conventional theories and typically American case studies This book takes those traditional theories and interprets them from an Islamic perspective using more international case studies Though primarily intended as a textbook for business students the book is also extremely useful for any Muslim business leaders who want to transform their businesses while complying with Shariah with a particular focus on developing corporate cultures and structures in sync with Islamic values Offers a critical review of conventional strategic management theory suggesting more effective alternatives based on a combination of conventional and Islamic theories Includes international case studies each with a particularly Islamic angle Written by a successful author team that has written extensively on the subject of business management from an Islamic perspective

Microfinance In Asia Christopher E C Gan, Gilbert V Nartea, 2017-03-27 Lack of credit access is severe in low income and poor families that are normally considered to have fewer opportunities to borrow from banks due to insufficient valuable assets for collateral These low income households face limited opportunity to acquire new technology and working capital for agricultural production and thus tend to fall behind As a result providing access to finance to low income rural households has been

considered an important component of any rural development strategy Microfinance programmes in particular have been gradually embedded in national strategies of many developing countries as they are poverty focused They aim to facilitate the access to financial services such as credit for the poor who are usually disadvantaged in terms of access to conventional financial services from formal financial institutions The objective of this book is to provide an overview of microfinance programmes in Asia focusing in particular on the determinants of the accessibility of rural households to microcredit The book studies seven Asian countries such as China Malaysia Vietnam Thailand the Philippines Indonesia and Bangladesh with two specific case studies

The Future Opportunities and Challenges of Business in Digital Era 4.0 Satria Bangsawan, Mahrinasari MS, Ernie Hendrawaty, Rindu Gamayuni, Nairobi, Hendrati Dwi Mulyaningsih, Ani Wahyu Rachmawati, Santi Rahmawati, 2020-07-23 One of the main challenges faced by all entrepreneurs is the need to growth Growth is part of all organizations it implies continuous growth of sales purchases number of employees profit and thus the growth of the enterprise Most innovations that are part of the organizations are derived from the internal organization Industrial Revolution 4 0 provides both opportunities and challenges to all entrepreneurs to grow their business The rapid development of technology and all digital aspects create opportunities of innovation in organizations These proceedings provide details beyond what is possible to be included in an oral presentation and constitute a concise but timely medium for the dissemination of recent research results It will be invaluable to professionals and academics in the field of business entrepreneurship and economics to get an understanding of recent research developments

Integrated Community-Managed Development L. Jan Slikkerveer, George Baourakis, Kurniawan Saefullah, 2019-01-24 This book provides an overview of recent advances in Integrated Community Managed Development ICMD as an innovative strategy for the community based development of local institutions in order to achieve lasting poverty reduction and empowerment The original approach presented here to improving the lives and livelihoods of the poor takes a critical stance on the failing concept of conventional community development as it is based on the shifting paradigm of bottom up cooperation and development where recent regional autonomy policies are enabling national services to successfully integrate with local institutions at the community level Based on recent experiences in South East Asia where the implementation of an alternative approach to integrating financial medical educational communication and socio cultural services has led to increased community participation and impressive poverty reduction the book highlights the theoretical methodological and practical aspects of this innovative strategy The potential offered by applying the newly developed ICMD formula worldwide as a function of themes principles and services is reflected in the book s diverse range of contributions written by respected researchers and practitioners in the fields of development economics and financial management
