Beyond Stuttering :

   Beyond Stuttering Dave McGuire,2019-08-22 The McGuire Programme has been featured in many television documentaries including the 2019 BAFTA TV nominated ITV documentary SCHOOL FOR STAMMERERS In 1994 Dave McGuire founded The McGuire Programme an international self help membership organization using the same methods that helped him overcome a severe stutter Called The McGuire Programme this organization owned and operated by those who stutter to help others who stutter runs 3 4 day intensive courses and provides follow up support throughout the world This book 3RD EDITION 2019 is the course manual for all members Combining mental strategies with breathing techniques this book explains The McGuire Programme a proven technique for long term improvement in speech and self confidence for those who suffer from stuttering Developed through the author s own struggles readers learn to deal with their fear of stuttering by using a combination of physical techniques and mental strategies so that they can become better than normally fluent speakers This 25th anniversary edition has been revised to incorporate the development of the methods of The McGuire Programme   *Beyond Stammering* Dave McGuire,2003 Combining mental strategies with breathing techniques this book explains the McGuire Program a proven technique for long term improvement in speech and self confidence for those who suffer from stammering Developed through the author s own struggles readers learn to alter breathing patterns while incorporating mental strategies to maintain fluent speech This complete program quickly and dramatically improves verbal fluency while the sufferer gains self esteem from learning to control the physical and mental aspects of dysfunctional breathing   **Evidence-Based Treatment of Stuttering** Anne K. Bothe,2004-07-19 This edited volume collects in depth chapters about a wide variety of topics important to data based stuttering treatment and stuttering treatment research creating the first book to address current knowledge about stuttering in the context of current d   **Here's How to Do Stuttering Therapy** Gary J. Rentschler,2011-09-15   A Handbook on Stuttering, Seventh Edition Oliver Bloodstein,Nan Bernstein Ratner,Shelley B. Brundage,2021-06-25 The revised edition of A Handbook on Stuttering continues its remarkable role as the authoritative first line resource for researchers and clinicians who work in the field of fluency and stuttering Now in its seventh edition this unique book goes beyond merely updating the text to include coverage of roughly 1 000 articles related to stuttering research and practice that have been published since 2008 This extended coverage integrates the more traditional body of research with evolving views of stuttering as a multi factorial dynamic disorder Comprehensive clear and accurate this text provides evidence based practical information critical to understanding stuttering By thoroughly examining the intricacies of the disorder A Handbook on Stuttering Seventh Edition lays the foundation needed before considering assessment and treatment New to the Seventh Edition A completely reorganized table of contents including two new chapters The deletion of approximately 1 000 non peer reviewed references from the previous edition to assure discussion of the highest quality evidence on stuttering New content on the development of stuttering across the lifespan and assessment

Given the Handbook s historic role as a primary reference for allied professionals a new chapter that addresses myths and misconceptions about stuttering Expanded coverage on the role of temperament in childhood stuttering Expanded coverage of brain based research genetics and treatment findings A thoroughly updated chapter on conditions under which stuttering fluctuates Brief tutorial overviews of critical concepts in genetics neuroimaging language analysis and other relevant constructs to better enable reader appreciation of research findings A greater selection of conceptual illustrations of basic concepts and findings than in prior editions Integrated cross referencing to content across chapters **Stuttering and Cluttering** David Ward,2008-06-03 Stuttering and Cluttering provides a comprehensive overview of both theoretical and treatment aspects of disorders of fluency stuttering also known as stammering and the lesser known cluttering The book demonstrates how treatment strategies relate to the various theories as to why stuttering and cluttering arise and how they develop Uniquely it outlines the major approaches to treatment alongside alternative methods including drug treatment and recent auditory feedback procedures Part one looks at different perspectives on causation and development emphasizing that in many cases these apparently different approaches are inextricably intertwined Part two covers the assessment diagnosis treatment and evaluation of stuttering and cluttering In addition to chapters on established approaches there are sections on alternative therapies including drug therapy and auditory feedback together with a chapter on counselling Reference is made to a number of established treatment programs but the focus is on the more detailed description of specific landmark approaches These provide a framework from which the reader may not only understand others treatment procedures but also a perspective from which they can develop their own Offering a clear accessible and comprehensive account of both the theoretical underpinning of stammering therapy and its practical implications the book will be of interest to speech language therapy students as well as qualified therapists psychologists and to those who stutter and clutter *Stuttering and Cluttering (Second Edition)* David Ward,2017-08-15 Stuttering and Cluttering provides a clear accessible and wide ranging overview of both the theoretical and clinical aspects of two disorders of fluency stuttering and cluttering This edition remains loyal to the idea that stuttering and cluttering can best be understood by first considering various overarching frameworks which can then be expanded upon and provides a clear position from which to disentangle the often complex interrelationships of these frameworks The book is divided into two parts the first of which mainly deals with theory and aetiology while the second focuses on clinical aspects of assessment diagnosis and treatment The book also provides frequent references across Parts I and II to help link the various areas of investigation together This revised edition of Stuttering and Cluttering reflects the major changes in thinking regarding both theory and therapy that have taken place since the publication of the first edition As well as those who stutter and clutter the book will be invaluable for speech language therapy speech language pathology students practicing clinicians psychologists and linguists around the world **A Stuttering Revolution** Paul Gaskin,2023-11-27 Feel like your stutter dominates every waking second of your life You re not
