**Building Your Own Capsule Wardrobe** Pat Sgambati,2021-08-24 Capsule wardrobes are about personal style but they are also a more mindful and sustainable way to think about clothing Fast fashion and our consumerist culture have tricked us into believing that we must own everything and the result is a stuffed closet full of clothes that we may never wear While capsule collections originally produced an air of exclusivity and a designer s artistic expression most of the individuals who have now become capsule wardrobe experts got into the game because they are tired of decision fatigue and also because they want to be more sustainable Capsule wardrobes push us to think more about whether we truly need each piece in our closet Buy less wear more and find high quality that s the motto here This guide will cover the most basic steps of creating a capsule wardrobe as well as the benefits of the idea Items covered will include things that some may prefer to skip while others will spend a long time pondering how to best go about this that or the other The perfect capsule wardrobe will change from person to person and no one can tell you otherwise      **The Style Challenge** Minimalism Co,2019-02-05 Why do so many smart and successful people presidents celebrities entrepreneurs and more opt for a curated closet that simplifies their personal style Because it eases decision making allowing them to efficiently allocate their resources time energy money to more important matters Unfortunately many smart people still struggle with how to dress because they don t know the secrets to curating the right wardrobe essentials But if you learn the capsule wardrobe method you can improve your personal style and build a closet you ll love The Style Challenge will teach you how to create a curated closet with essential items that compliment your shape aesthetic and lifestyle You ll learn how to thoughtfully select pieces with the perfect fit fabrics and colors for you Outfits compose looks or daily uniforms from a small number of items that work seamlessly

together Fabrics select quality fabrics that work best for you and understand how to care for them to increase longevity Colors create a palette of hues you love but also work well together so every piece can be combined effortlessly Silhouettes understand how different fits and styles work for your body type and the activities you engage in The Style Challenge presents 9 steps that will help you save more time spend more wisely and increase your confidence You'll never worry about how to dress again Step 1 Match your wardrobe to your lifestyle Step 2 Develop a distinct aesthetic Step 3 Evaluate what should stay or go Step 4 Create a shopping checklist Step 5 Budget for any wardrobe needs Step 6 Determine a set of go to brands Step 7 Shop without impulse purchasing Step 8 Increase the longevity of your clothing Step 9 Maintain your commitment to a simple style As Stendhal once said only great minds can afford a simple style If you are up for the challenge get ready to curate a beautiful and practical collection of only quality essentials that you absolutely love cease the unnecessary stress and daily frustration associated with a subpar closet and stop worrying about what to wear create a personal style that maps to your lifestyle and life phase so you look and feel polished no matter what you are doing or where you are going The Style Challenge is the fourth book in the Streamline Your Life Series a set of challenges that teach you how to live with awareness clarity and focus Yes there will always be difficulties but life doesn't have to be so hard especially when you commit to essential living These step by step guides support you on your journey to simplifying each area of your life from work and wellness to style and relationships Though lightweight and easy to read they offer a wealth of inspiration and information on how to live a good life effortlessly

**Creating a Capsule Wardrobe** Claire Collins, 2018-04-30 So many books about Capsule Wardrobes don't seem to address the real woman those of us with jobs families and budgets Those of us that can't afford to buy designer pieces and don't have a life where we would wear them but would still like to have our own capsule wardrobe that will work for us *Creating a Capsule Wardrobe A Guide For Real Women on Real Budgets* does just that The first part of the book looks at defining your own personal style It gives tips and ideas on identifying your look and helps you decide if it is suitable for your current life and life style The second part of the book delves into the back of your wardrobe and helps you deal with all those hidden and ignored pieces that have been gathering dust There is plenty of information on how to select the pieces you love and even a detailed how to sell on line guide in the resources section at the back of the book Most importantly there is a detailed section on assessing and reassessing your capsule wardrobe a technique that many books ignore This section will help you decide if what you chose was right for you and will help you make adjustments if you decide they were not The book also looks at other types of capsule wardrobes you might have like active wear sleepwear and underwear It will show you how to use the same techniques to create mini capsule within your wardrobe At the end of each chapter there is a chapter summary and activity suggestions to help you create your own capsule wardrobe The final part of the book is a resource section Here you will find blogs and websites that are mentioned in the book and a detailed guide to selling clothes on line
