Advanced Pilates For Beginners Step Plan For Students:

Estate Planning For Dummies N. Brian Caverly, Jordan S. Simon, 2003-03-07 Planning for your family's future made easy. If you're like most people, you want to be sure that once you've passed on, no more of your property and money will be lost to the government than is absolutely necessary. You want to know that you'll be leaving your heirs your assets and not your debts. You want to be absolutely certain that your will is ship shape, your insurance policies are structured properly, and that every conceivable hole in your estate plan has been filled. And most of all, you'd like to do all of this without driving yourself crazy trying to make sense of the complicated jargon/jumble of paperwork and welter of state and federal laws involved in the estate planning process. Written by two estate planning pros, this simple, easy-to-use guide takes the pain out of planning for your ultimate financial future. In plain English, the authors walk you step by step through everything you need to know to: Put your estate into order; Minimize estate taxes; Write a proper will; Deal with probate; Set up trusts; Make sure your insurance policies are structured properly; Plan for special situations like becoming incompetent and pet care; Craft a solid estate plan and keep it up to date. Don't leave the final disposition of your estate up to chance and the whims of bureaucrats. **Estate Planning For Dummies** gives you the complete lowdown on: Figuring out what you're really worth; Mastering the basics of wills and probate; Using will substitutes and dodging probate taxes; Setting up protective trusts; Charitable trusts; living trusts; and more; Making sense of state and federal inheritance taxes; Avoiding the generation-skipping transfer tax; Minimizing all your estate-related taxes; Estate planning for family businesses; Creating a comprehensive estate plan. Straightforward, reader-friendly, easy to use. **Estate Planning For Dummies** is the ultimate guide to planning your family's future.
