Affordable Blog Post Ideas For Moms:

The College Affordability Crisis Laurie Collier Hillstrom, 2020-11-06 This volume provides a comprehensive and evenhanded overview of the escalating college affordability crisis in the United States It explains how higher education became so expensive and explores the implications of high college loan debt for students and American society The 21st Century Turning Point series is a one stop resource for understanding the people and events changing America today Each volume provides readers with a clear authoritative and unbiased understanding of a single issue or event that is driving national debate about our country s leaders institutions values and priorities This particular volume is devoted to the issue of the rising cost of higher education in the United States The expense of pursuing a college degree has become so high for so many students in fact that the country is experiencing what many educators economists parents and students describe as a college affordability crisis This work provides an accessible accurate account of the factors driving this trend including dramatic reductions in higher education spending by states for profit colleges predatory unscrupulous and lightly regulated student loan service companies and spiraling spending by colleges and universities competing to attract students

Poison Ivy Evan Mandery, 2025-03-18 Hailed as a staggering portrait of inequality in America Philip Dray Poison Ivy tells the bigger seedier story of how elite colleges create paths to admission available only to the wealthy despite rhetoric to the contrary In a lively and trenchant Washington Monthly account Evan Mandery a Harvard graduate and current professor at a public college that serves low and middle income students reveals how tacit agreements between exclusive Ivy plus schools and white affluent suburbs create widespread de facto segregation And as a college degree continues to be the surest route to upward mobility the inequality bred in our broken higher education system is now a principal driver of skyrocketing income inequality Mandery contrasts the lip service paid to opportunity by so many elite colleges and universities with schools that actually walk the walk Now in an accessible paperback format Poison Ivy is a no holds barred takedown Forbes that synthesizes fascinating insider information on everything from how students are evaluated unfair tax breaks and questionable fundraising practices to suburban rituals testing tutoring tuition schemes and more This bold provocative indictment of America s elite colleges shows us exactly what s at stake and what will be possible if we muster the collective will to transform it
