

# BURGER STAND BUSINESS PLAN

## Burger Stand

The purpose of this business plan is to raise \$60,000 for the development of a food stand that will sell burgers, hot dogs, and beverages to customers in its targeted market.

### **1.0 EXECUTIVE SUMMARY**

The purpose of this business plan is to raise \$60,000 for the development of a burger stand while showcasing the expected financials and operations over the next three years. Bob's Burger Shack ("the Company") is a New York-based corporation that will provide burgers, hot dogs, and beverages to customers in its targeted market. The Company was founded by Robert Bergeon.

### **1.1 The Services**

Our vision for Bob's Burger Shack is to operate a small location that will provide a wide selection of burgers, hotdogs, beverages, and ice cream. Bob's Burger Shack, vis-a-vis food and beverage sales, will generate substantial gross margins that will allow the business to generate profitable revenue throughout the course of the calendar year. The third section of the business plan will further describe the services offered by Bob's Burger Shack.

### **1.2 Financing**

Mr. Bergeon is seeking to raise \$50,000 from a bank loan. The interest rate and loan agreement are to be

expert George Motz returns with a completely updated edition of *Hamburger America* now with 150 establishments where readers can find the best burgers in the country. George Motz has made it his personal mission to preserve America's hamburger heritage and his travelogue spotlights the nation's best roadside stands, nostalgic diners, mom 'n pop shops, and college town favorites, all with George's photographs and commentary throughout. Whether you're an armchair traveler, a serious connoisseur, or curious adventurer, *Hamburger America* is an essential resource for reclaiming this precious slice of Americana.

**The City Authentic** David A. Banks, 2023-04-25 The first book to explore how our cities gentrify by becoming social media influencers and why it works. Cities like the people that live in them are subject to the attention economy. In *The City Authentic*, author David A. Banks shows how cities are transforming themselves to appeal to modern desires for authentic urban living through the attention-grabbing tactics of social media influencers and reality TV stars. Blending insightful analysis with pop culture, this engaging study of New York State's Capital Region is an accessible glimpse into the social phenomena that influence contemporary cities. The rising economic fortunes of cities in the Rust Belt, Banks argues, are due in part to the markers of its previous decay, which translate into signs of urban authenticity on the internet. *The City Authentic* unpacks the odd connection between digital media and derelict buildings, the consequences of how we think about industry and place, and the political processes that have enabled a new paradigm in urban planning. Mixing urban sociology with media and cultural studies, Banks offers a lively account of how urban life and development are changing in the twenty-first century.

*International Directory of Company Histories* Tina Grant, Thomas Derdak, 2004-09 Provides detailed histories of many of the largest and most influential companies worldwide. Intended for reference use by students, business persons, librarians, historians, economists, investors, job candidates, and others who want to learn more about the historical development of the world's most important companies.

*The Portable MBA in Entrepreneurship Case Studies* William D. Bygrave, Dan D'Heilly, 1997-06-23 The crucial link between theory and practice. In *The Portable MBA in Entrepreneurship Case Studies*, you'll meet people who have used the business theories and practices presented in *The Portable MBA in Entrepreneurship* to start and run their own entrepreneurial ventures. You'll get a real sense of what it takes to conceive, develop, finance, and operate a business, and how particular elements such as business plans and financial forecasts function in the real world. These case studies cover a broad variety of service and product industries: retail, wholesale, mail order, and Internet. You'll discover the trials and rewards of starting a travel agency, launching a new glass cleaning product, setting up a fashion Web site, and selling women's hosiery through direct mail. Other studies cover ventures in the computer industry, the restaurant business, automobile service, franchising, and business consulting. Each case study is illustrated with exhibits, financial statements, business plans, sample contracts, and more, and many are supplemented with end-of-chapter questions that help you analyze the viability of each entrepreneurial venture and test your ability to respond to the challenges you'll face in pursuit of your own entrepreneurial dreams.
