

## NCERT Solutions for Class 11 Business Studies

### Chapter 1 – Business, Trade and Commerce

#### Short Answer Questions

1. Why is business considered as economic activity?

Ans: Businesses are economic activity because:

1. **Resource Allocation:** They use resources to create what people want and need.
2. **Profit Motive:** They strive for profit, which drives efficiency and growth in the economy.

2. How does business contribute to the economic development of a country?

Ans: Businesses grow economies by:

- **Jobs & Income:** They create jobs and put money in people's pockets, boosting spending and growth.
- **Goods & Services:** They produce what people need and want, raising living standards.
- **Innovation:** They constantly improve, leading to new technologies and advancements.

3. State the different types of economic activities.

Ans: Economic activities are those that allow us to earn a living. A worker at a factory, a doctor in his clinic, a manager in an office, and a teacher teaching in a school, for example, are all involved in economic activities to support their families. Economic activities are further split into three categories: business, profession, and employment.
