Language Culture And Communication The Meaning Of Messages 3rd Edition:

Language, Culture, and Communication Nancy Bonvillain, 2000 For courses in Language and Culture Anthropological Linguistics and Language and Communication Using data from cultures and languages throughout the world to highlight both similarities and differences in human languages this text explores the many interconnections among language culture and communicative meaning It examines the multi faceted meanings and uses of language and emphasizes the ways that language encapsulates speakers meanings and intentions *Effective Police Supervision* Larry S. Miller, Harry W. More, Michael C. Braswell, 2017-02-17 Outstanding first line supervisors are essential to the success of any law enforcement agency yet many officers lack the supervision training necessary to excel *Effective Police Supervision* immerses readers in the group behaviors and organizational dynamics supervisors must master in order to lead their teams and to help create an effective police department Combining behavioral theory and updated case studies this core text now in its eighth edition is a vital tool for all college students pursuing criminal justice courses on supervisory practices as well as police officers preparing for promotional exams **Effective Police Supervision** Harry W. More, Larry S. Miller, 2014-02-13 Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager *Effective Police Supervision* is a core text used in college level classes on supervisory practices in criminal justice This popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems It provides readers with an understanding of the group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization This book is also a vital tool in the preparation of police officers for promotional exams This revised and updated edition includes new material throughout on police accountability police involvement with news media dealing with social media and avoiding scandals Each chapter includes important key terms and opens with a case study to illustrate important concepts **African Immigrant Religions in America** Jacob Olupona, Regina Gemignani, 2007-05-01 African immigration to North America has been rapidly increasing Yet little has been written about this significant group of immigrants and the particular religious traditions that they are transplanting on our shores as scholars continue largely to focus instead on immigrants from Europe and Asia *African Immigrant Religions in America* focuses on new understandings and insights concerning the presence and relevance of African immigrant religious communities in the United States It explores the profound significance of religion in the lives of immigrants and the relevance of these growing communities for U S social life It describes key social and historical aspects of African immigrant religion in the U S and builds a conceptual framework for theory and analysis The volume broadens our understandings of the ways in which new immigration is changing the face of Christianity in the U S and adds needed breadth to the study of the black church incorporating the experiences of African immigrant religious communities in America **Mastering Police Leadership** Harry W., 2010-12-29 The success of any police organization

stems from the strength of its management Experts emphasize that true effectiveness begins with first line supervisors
Leading law enforcement agencies recognize these supervisors as a vital link in the overall management process
