## **Broadway Mary Poppins Script:**

**The Disney Musical on Stage and Screen** George Rodosthenous, 2017-06-29 The Disney Musical Critical Approaches on Stage and Screen is the first critical treatment of the corporation's hugely successful musicals both on screen and on the stage. Its 13 articles open up a new territory in the critical discussion of the Disney mega musical, its gender, sexual, and racial politics, outreach work, and impact of stage film and television adaptations. Covering early 20th-century works such as the first full-length feature film *Snow White and the Seven Dwarfs* (1937) to *The Lion King* (Broadway's highest-grossing production in history) and *Frozen* (2013), this edited collection offers a diverse range of theoretical engagements that will appeal to readers of film and media studies, musical theatre, cultural studies, and theatre and performance. The volume is divided into three sections to provide a contextual analysis of Disney's most famous musicals: DISNEY MUSICALS ON FILM; DISNEY ADAPTATIONS ON STAGE AND BEYOND; DISNEY MUSICALS GENDER AND RACE. The first section employs film theory, semiotics, and film music analysis to explore the animated works and their links to the musical theatre genre. The second section addresses various stage versions and considers Disney's outreach activities, cultural value, and productions outside the Broadway theatrical arena. The final section focuses on issues of gender and race, portraying representations of race, hetero-normativity, masculinity, and femininity in *Newsies*, *Frozen*, *High School Musical*, *Aladdin*, and *The Jungle Book*. The various chapters address these three aspects of the Disney Musical and offer new critical readings of a vast range of important works from the Disney musical canon, including *Enchanted*, *Mary Poppins*, *Hunchback of Notre Dame*, *The Lion King*, and versions of musicals for television in the early 1990s and 2000s. The critical readings are detailed, open-minded, and come to surprising conclusions about the nature of the Disney Musical and its impact. *The Palgrave Handbook of Musical Theatre Producers* Laura MacDonald, William A. Everett, 2017-03-25 This handbook is the first to provide a systematic investigation of the various roles of producers in commercial and not-for-profit musical theatre. Featuring fifty-one essays written by international specialists in the field, it offers new insights into the world of musical theatre, its creation, and its promotion. Key areas of investigation include the lives and works of producers whose work is part of a US and worldwide musical theatre legacy, as well as the largely critically neglected role of the musical theatre producer in the marketing and performance of musicals. Also explored are the shifting roles of producers in musical theatre and their popular portrayals, offering a reader-friendly collection for fans, scholars, students, and practitioners of musical theatre alike. **The Complete Book of 2000s Broadway Musicals** Dan Dietz, 2017-04-06 In the first decade of the twenty-first century, Broadway was notable for old-fashioned feel-good shows: *Hairspray*, *Jersey Boys*, a number of family-friendly musicals (*Little Women*, *Mary Poppins*), plenty of revivals (*Follies*, *Oklahoma!*), *Wonderful Town*, a couple of off-the-wall hits (*Avenue Q*, *Urinetown*), several gargantuan flops (*Dance of the Vampires*, *Lestat*), and a few serious productions that garnered critical acclaim (*The Light in the Piazza*, *Next to Normal*). Unlike earlier decades, which were dominated by specific composers, by a new form of

musical theatre or by numerous British imports the decade is perhaps most notable for the rise of shows which poked fun at the musical comedy form such as *The Producers* and *Spamalot* In *The Complete Book of 2000s Broadway Musicals* Dan Dietz examines in detail every musical that opened on Broadway from 2000 through the end of 2009 This book discusses the era s major successes notorious failures and musicals that closed during their pre Broadway tryouts In addition to including every hit and flop that debuted during the decade this book highlights revivals and personal appearance revues with such performers as Patti LuPone Chita Rivera and Martin Short Each entry contains the following information Plot summaryCast membersNames of all important personnel including writers composers directors choreographers producers and musical directorsOpening and closing datesNumber of performancesCritical commentaryMusical numbers and the performers who introduced the songsProduction data including information about tryoutsSource materialTony awards and nominationsDetails about London and other foreign productionsBesides separate entries for each production the book offers numerous appendixes including a discography filmography and published scripts as well as lists of black themed shows and Jewish themed productions This comprehensive book contains a wealth of information and provides a comprehensive view of each show *The Complete Book of 2000s Broadway Musicals* will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history

**Making Mary Poppins** Todd James Pierce,2025-11-11 The untold story behind a beloved classic *Making Mary Poppins* reveals the extraordinary true story behind the creation of one of the most beloved films of all time and the two little known songwriters who helped make it possible Long before *Mary Poppins* danced across the rooftops of Edwardian London and into the hearts of millions Robert and Richard Sherman were struggling songwriters in Los Angeles trying to find their voices and their futures In this vivid and deeply researched narrative author and Disney historian Todd James Pierce traces the unlikely path that brought the Sherman brothers to Walt Disney s attention and how their personal history musical genius and emotional lives shaped the film s unforgettable songs and surprising storyline From their early days writing novelty tunes to the high stakes drama of working with P L Travers and Walt Disney himself the Sherman brothers story is rich with behind the scenes intrigue creative breakthroughs and quiet triumphs Their work on *Mary Poppins* not only launched their careers it transformed Disney s live action division and influenced an entire era of musical filmmaking Filled with never before published details and backstage portraits *Making Mary Poppins* is a story of art ambition and resilience It s also a story of family of the bond between two brothers whose brilliance gave the world *Supercalifragilisticexpialidocious* *Feed the Birds* and a vision of magic that still resonates today A must read for Disney fans film buffs and lovers of classic musicals this is the definitive account of how one magical nanny came to life and helped change the face of Hollywood

*Broadway Plays and Musicals* Thomas S. Hischak,2009-04-22 New York City s Broadway district is by far the most prestigious and lucrative venue for American performers playwrights entertainers and technicians While there are many reference works and critical studies of selected Broadway plays or

musicals and even more works about the highlights of the American theater this is the first single volume book to cover all of the activities on Broadway between 1919 and 2007 More than 14 000 productions are briefly described including hundreds of plays musicals revivals and specialty programs Entries include famous and forgotten works designed to give a complete picture of Broadway s history and development its evolution since the early twentieth century and its rise to unparalleled prominence in the world of American theater The productions are identified in terms of plot cast personnel critical reaction and significance in the history of New York theater and culture In addition to a chronological list of all Broadway productions between 1919 and 2007 the book also includes approximately 600 important productions performed on Broadway before 1919

### **Broadway Mary Poppins Script Introduction**

In today's digital age, the availability of Broadway Mary Poppins Script books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Broadway Mary Poppins Script books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Broadway Mary Poppins Script books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Broadway Mary Poppins Script versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Broadway Mary Poppins Script books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Broadway Mary Poppins Script books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Broadway Mary Poppins Script books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Broadway Mary Poppins Script books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
