Transforming Early

Head Start Home Visiting Bridget A. Walsh,Jennifer A. Mortensen,2019-10-29 Research on home visiting shows that Early Head Start EHS home based programs benefit from additional training and resources that streamline philosophy and content In this essential guide Walsh and Mortensen propose that alignment with Family Life Education's FLE strengths based methodology results in greater consistency through a model of prevention education and collaboration with families This text is the first to outline linkages between FLE and EHS home visiting It explores a qualitative study of FLE integrated in a current EHS home based program and application of FLE methodology to home visiting topics This approach will influence

professional practice and provide a foundation for developing evidence based home visiting practices Online content accompanies the text with videos demonstrating the FLE approach in action and discussion questions to encourage engagement with and understanding of the core material Transforming Early Head Start Home Visiting A Family Life Education Approach is essential reading for upper level undergraduate and masters students in family studies and early childhood education as well as practitioners working with children and families Positive Youth Development Richard Lerner, Jacqueline Lerner, Janette B. Benson, 2011-09-26 Each chapter provides in depth discussions and this volume serves as an invaluable resource for Developmental or educational psychology researchers scholars and students Includes chapters that highlight some of the most recent research in the area of Positive Youth Development Each chapter provides in depth discussions An invaluable resource for developmental or educational psychology researchers scholars and students
