How Societies Work Class Power And Change:

How Societies Work, 5th Edition Joanne Naiman, 2020-04-28T00:00:00Z In 2011 protesters around the world including Canada called for changes to the societies in which they live Many observers were asking What do they want Some answers to this question can be found in *How Societies Work* a unique and accessible introductory sociology textbook that introduces students to the structure of contemporary societies and the power relationships within them In contrast to most introductory textbooks *How Societies Work* explores a broad range of sociological concepts and theories while simultaneously creating a coherent picture of modern societies Drawing on fields as diverse as anthropology genetics economics social psychology history and politics this innovative and popular text looks at both the roots of modern societies and the current structures within them This approach helps undergraduate students make sense of our complex social world and encourages them to connect the social world to their own lived experiences This extensively revised and updated fifth edition includes discussions of the roots of the recent global economic crisis and worldwide responses to it growing social inequality broader global struggles for change the growth of the security state in Canada and the sudden resurgence of political protest in North America The final chapter looks to the future examining such issues as the possible consequences of climate change increased forced migration of peoples and the changing dynamic of global power More boxes quotes and think about it elements have been added to the fifth edition while the language clarity of presentation and many examples make it even more accessible to readers It is an introductory textbook that truly engages students in the sociological imagination This fifth edition is presented in a large format making it easier to read and even more student friendly A testbank and power point presentation are available for instructors upon request

How Societies Work Joanne Naiman, 2008 *How Societies Work* offers a unique introduction to the analysis of contemporary Canadian society by focusing on both the roots of modern societies and the current political economy of Canada Drawing on various sociological theories as well as anthropology genetics economics history philosophy politics and social psychology this accessible and integrated work helps undergraduate students make sense of our complex social world The author's goal is to open students minds to the sociological imagination allowing them to connect the social world to their own lived experiences For the fourth edition the book has been thoroughly revised Several chapters have been reorganized many new topics have been added and overall both the language and content have been made even more student friendly Book jacket

How Societies Work Joanne Naiman, 2012

Ideology Gordon Bailey, Noga Gayle, 2003-01-05 Offering both an historical overview of the concept as well as questions about current social arrangements Ideology aims to move us beyond the narcosis of socialization and into the space of authentic citizenship

Social Work, Social Justice, and Human Rights Colleen Lundy, 2011-11-15 Social workers take pride in their commitment to social and economic justice peace and human rights and in their responses to related inequalities and social problems At a time when economic globalization armed conflict and ecological devastation

continue to undermine human rights and the possibilities for social justice the need for linking a structural analysis to social work practice is greater than ever The second edition of this popular social work practice text more fully addresses the connection between social justice and human rights It includes a discussion of social work s role in promoting peace and responding to environmental problems It also places a greater attention on the links between social work theories concepts and practice skill responses The text has been updated and revised throughout with four new chapters social work and human rights cultural competence and practice with immigrant communities social work and mental health communities and practice with couples and families Detailed case studies demonstrate the integration of theory policy and practice

How Societies Work Joanne Naiman,2000 Structure of capitalism the nature and history of social class and the role of the state government Attention is also paid to social inequality in Canadian society as manifest in income race ethnicity and gender as well as to the ways in which the agents of socialization particularly the mass media and the education system help perpetuate the dominant ideologies Back cover

Mapping Geographies of Violence Heather A. Kitchin Dahringer,2021-01-29T00:00:00Z The contributors to Mapping Geographies of Violence explore the multi layered meaning of violence and the various ways it occupies our daily lives be they overt institutional structural or covert With an eye towards social justice each chapter offers a discrete definition of violence and provides readers with a range of theoretical orientations from social psychology symbolic interactionism and Marxism to discourse analysis From these perspectives several examples of violence are explored anti feminism police raids gendered violence mental illness sex work and poverty Mapping Geographies of Violence presents readers with a larger understanding and analysis of how violence far from just an expression of individuals or groups is rooted in social constructs like class patriarchy and racism

Walking This Path Together Jeannine Carrière,2020-07-10T00:00:00Z Walking This Path Together is an edited collection devoted to improving the lives of children and families that come to the attention of child welfare authorities by demonstrating and advocating for socially just child welfare practices In this new updated edition authors provide special consideration to the historical and political context of child welfare in Canada and theoretical ideas and concrete practices that support practitioners educators and students who are looking for anti racist anti oppressive and anti colonial perspectives on child welfare practice
