

Structure of the IELTS Writing Task 2

Introduction

The introduction is the first paragraph of your essay. It should briefly introduce the topic and provide some context. It also includes the thesis statement, which is a clear and concise statement of the main point or argument of your essay.

Body Paragraphs

Typically, there are two to three body paragraphs. Each paragraph should focus on a single main idea or argument. Start with a topic sentence, provide evidence or examples to support your point, and then explain or analyse that evidence.

Counterargument (optional)

Including a counterargument or a paragraph that acknowledges the opposing viewpoint can strengthen your essay. However, this is not always necessary, and it depends on the specific essay prompt.

Conclusion

The conclusion sums up your main points and restates your thesis. It should leave a lasting impression on the reader and provide a sense of closure.
