The Primal Prescription Doug McGuff, Robert P. Murphy, 2015-10-21 It s no secret that the U S health care system is in a state of disrepair but the rabbit hole goes deeper than even the staunchest critics may realize In Primal Prescription authors Doug McGuff MD and Robert P Murphy PhD combine their expertise in economics and medicine to offer a shocking disturbing and ultimately enlightening view into America s health care system You ll discover the real history of what went wrong with U S health care and insurance and why current efforts to clean up the mess are only making things worse But far from leaving you feeling helpless at the dismal and sometimes deadly state of affairs Primal Prescription equips you with both the knowledge to understand the health care conundrum and the tools for navigating your way out of it McGuff and Murphy offer an evidence based game plan for taking control of your own medical care protecting yourself and your loved ones regardless of what the future holds for the rest of the nation Whether you re currently tangled in America s broken health care system or simply trying to avoid its clutches Primal Prescription is a must have resource for taking your health into your own hands

Rebooting Policy Analysis Peter Linquiti, 2022-01-18 Rebooting Policy Analysis Strengthening the Foundation Expanding the Scope is a savvy introduction to policy analysis that gets students thinking not just about how decisions should be made but how they are made The text highlights practical skills needed to advise decision makers on matters of public policy in ways that are well

informed and solutions oriented while managing limitations like time resources and information In a world that has become increasingly complex and partisan the strength of policy analysis rests not only in its classical academic methods but on the development of a practical analytic mindset

Poison Ivy Evan Mandery,2025-03-18 Hailed as a staggering portrait of inequality in America Philip Dray *Poison Ivy* tells the bigger seedier story of how elite colleges create paths to admission available only to the wealthy despite rhetoric to the contrary In a lively and trenchant Washington Monthly account Evan Mandery a Harvard graduate and current professor at a public college that serves low and middle income students reveals how tacit agreements between exclusive Ivy plus schools and white affluent suburbs create widespread de facto segregation And as a college degree continues to be the surest route to upward mobility the inequality bred in our broken higher education system is now a principal driver of skyrocketing income inequality Mandery contrasts the lip service paid to opportunity by so many elite colleges and universities with schools that actually walk the walk Now in an accessible paperback format *Poison Ivy* is a no holds barred takedown Forbes that synthesizes fascinating insider information on everything from how students are evaluated unfair tax breaks and questionable fundraising practices to suburban rituals testing tutoring tuition schemes and more This bold provocative indictment of America s elite colleges shows us exactly what s at stake and what will be possible if we muster the collective will to transform it
