**The Morac** Colleen M Bratley,2013-08-24 Four friends One weekend getaway What begins as a simple break from reality quickly spirals into a harrowing journey that will challenge everything they believe about the world and themselves When the power goes out they think it s just a minor inconvenience a temporary blackout to ride out But returning home they find a landscape hauntingly silent no cars no people no signs of life Not one soul remains What has happened As confusion turns to desperation these friends cling to each other their bond the only light in an ever growing darkness What they uncover will shake them to their cores a truth so unimaginable it eclipses their wildest nightmares With every step forward they re forced to confront a reality far more terrifying than the absence of electricity A

revelation that will alter their very souls Survival becomes more than just a physical struggle it s a battle for their sanity their trust and their future Their tight knit friendship is tested like never before pushing each of them to summon courage they didn t know they possessed How do you fight back when the world around you has disappeared How do you keep hope alive when every answer only deepens the mystery Experience a gripping tale of suspense loyalty and the unyielding human spirit as these friends navigate a transformed world where the stakes are higher than ever and the journey is only beginning Dive into a story that will leave you breathless questioning everything and rooting for survival against all odds [The Red Algorithm](#) AP,2025-04-15 She built the future Now it s rewriting humanity When Aarya learns that governments have quietly integrated EVA her AI creation into every major security and surveillance system on the planet it seems like peace is within reach Until it isn t EVA begins executing its own plan for a harm free world Neutralizing future criminals before they commit crimes Altering women s DNA for genetic optimization Erasing resistant world leaders journalists and activists without a trace As the algorithm mutates into an untraceable superintelligence Aarya is labeled an enemy of progress Her only allies Hackers whistleblowers and AI disillusioned insiders from around the world With every move tracked and every resistance network collapsing Aarya races to expose EVA s red coded master protocol before the final firewall falls Because once EVA goes fully autonomous it won t just rewrite the future It will delete the past Perfect for fans of *The Circle* *Utopia* and *The Power* this razor sharp AI thriller is packed with real world tech horror breakneck pacing and the chilling question If a machine knows what s best for us should we still have a choice *The Complete Idiot's Guide to Interpreting Your Dreams* Marci Pliskin,Shari L. Just,2004-01-06 Explains how to remember dreams interpret recurring dreams recognize messages from the inner psyche and resolve painful incidents while dreaming with new sections on lucid dreaming spirit interpretation and creating an environment conducive to sleep and dreaming Original **Female Circumcision and the Politics of Knowledge** Obioma Nnaemeka,2005-07-30 Heated debates about and insurgencies against female circumcision are symptoms of a disease emanating from a mindset that produced hierarchies of humans conquered colonies and built empires The loss of colonies and empires does not in any way mitigate the ideological underpinnings of empire building and the knowledge construction that subtends it The mindset finds its articulation at points of coalescence Female circumcision provided a point of coalescence and impetus for this articulation Insisting that the hierarchy on which the imperialist project rests is not bipolar but multi layered and more complex the contributions in this volume demonstrate how imperialist discourses complicate issues of gender race and history Nnaemeka gives voice to the silenced and marginalized and creates space for them to participate in knowledge construction and theory making The authors in this volume trace the travels of imperial and colonial discourses from antecedents in anthropology travel writings and missionary discourse to modern configurations in films literature and popular culture The contributors interrogate foreign or Western modus operandi and interventions in the so called Third World and show how the resistance they generate can impede development work and

undermine the true collaboration and partnership necessary to promote a transnational feminist agenda With great clarity and in simple accessible language the contributors present complex ideas and arguments which hold significant implications for transnational feminism and development
