## Guidance On The Professional Review Report

### INTRODUCTION

All candidates for election or transfer to Corporate member (FRINA and MRINA) and registration (if required) with the Engineering Council as CEng, IEng or EngTech are required to undertake a **Professional Review** to demonstrate that they have achieved the required standards of professional competence and commitment.

The Professional Review consists of a **Report**, which may be followed by an **Interview**.

*These guidance notes should be read in conjunction with the **Guidance on applying for Corporate membership and Guidance on applying for Registration**.*

### PROFESSIONAL REVIEW REPORT

#### Structure of the Report

The Report should be between 3000-5000 words, and be written in chronological order, ending with the candidate's current employment. It should be typed on A4, single side, or should be submitted electronically. It is recommended that the Report should be written in three parts:

#### PART 1

Part 1 of the Professional Review Report should provide a career summary to date, eg dates, company/organisation, position and nature of nature of employment.

#### PART 2

Part 2 of the Professional Review Report should describe in detail the activities which have contributed directly to achieving the required standards of professional competence, as defined in the Professional Development Objectives, including where applicable:

- Nature of the activity, eg purpose, technical content, etc.
- Duration of the activity, eg start/completion, accumulated time.
- Resources involved, eg manpower, financial, etc.
- Personal involvement and level of responsibility, eg who the candidate was accountable to, number of staff responsible to the candidate.
- How the activity contributed to achieving the candidate's Professional Development Objectives.

#### PART 3

Part 3 of the Professional Review Report should record those activities which have contributed indirectly to the candidate's professional development, such as attendance at training courses and conferences; preparation and presentation of engineering papers or articles; participation in Institution activities, e.g. Branch technical meetings; etc.

#### Professional Development Objectives

Although the route to Corporate membership may be different for every candidate, the Institution requires that all candidates for Corporate membership and registration (if required) should have achieved professional competencies in a range of activities relevant to the design, construction and maintenance of marine vessels.
