Creativity Unleashing The Forces Within:

Creativity Osho,2011-04-01 From one of the greatest spiritual leaders of the twentieth century Creativity Unleashing the Forces Within will inspire you to nurture your inner ideas and innovations and apply them in every aspect of your life As Osho points out in this book s foreword historically the creative person has been all but forced to rebel against the society But nowadays the situation has dramatically changed In today s world the ability to respond creatively to new challenges is demanded of everybody from corporate CEOs to soccer moms Those whose toolbox for dealing with life includes only what they have learned in the past from their parents and their teachers are at a distinct disadvantage both in their relationships and in their careers Making a switch from imitative and rule bound behavior to creative innovation and flexibility requires a profound change in our attitudes about ourselves and our capabilities Creativity is a handbook for those who understand the need to bring more creativity playfulness and flexibility to their lives It s a manual for thinking outside the box and learning to live there as well Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

Whole : 11 Universal Truths For An Inspired Life Pamela Puja Kirpalani,2020-09-28 Pamela Puja Kirpalani is a well known international life coach and NLP trainer who has trained several organizations in the science of communication This edgy contemporary and much awaited book dives straight into mankind s quest for happiness and psychological well being Humans have been searching for pleasure based happiness throughout all existence but in doing so they have left out a very vital part of the equation a whole state of being Whole provides the readers with key virtues and principles to live by to create an integrated and successful life thereby addressing the paradox of our human obsession for happiness The majority of people today are concerned with quick and powerful short cuts to help them deal with their daily unpredictable worlds but the truth is unless we understand how our brains work and what inspires or motivates us we are chasing a never ending hedonistic treadmill The book uncovers unique and fascinating aspects of the human brain in fusion with the latest neuropsychology research alongside ancient Stoic Buddhist wisdom and revolutionary insights from eminent world class leaders
