regulatory requirements placed on G SIBs The findings re open the debate about whether breaking up G SIBs would unlock shareholder value and whether G SIBs are regulated efficiently

Inclusivity and Indigeneity in Education for Sustainable Development Behera, Santosh Kumar,Ibrahim, Atyaf Hasan,Romdhani, Faten,2024-06-03 A major issue globally revolves around the urgent need to reshape our education system aligning it with the ambitious Sustainable Development Goals SDGs set to transform the world by 2030 These goals comprising 17 distinct objectives and 169 targets form an ambitious agenda that seeks to recalibrate the global landscape across social economic and environmental dimensions Inclusivity and Indigeneity in Education for Sustainable Development stands as a catalyst for fostering dialogue on the interconnected realms of education indigeneity and sustainable development It explores the relationships between these pillars and offers a comprehensive understanding of their transformative potential The book emphasizes the essence of inclusivity echoing the No one left behind SDG agenda which goes beyond mere academic discourse to foster fairness and justice Additionally it delves into the invaluable resource of indigenous knowledge transmitted orally across generations and its profound connection to sustainable development By advocating for a shift in education the book calls for an approach that ensures no one is left behind in the teaching and learning process This paradigm shift is envisioned as a broad civilizational project connecting with marginalized communities and tapping into their distinct cultural resources for crafting resilient and sustainable strategies
