Eddie Tay, 2010-06-01 The literature of Malaysia and Singapore the multicultural epicentre of Asia offers a rich body of source material for appreciating the intellectual heritage of colonial and postcolonial Southeast Asia Focusing on themes of home and belonging Eddie Tay illuminates many aspects of identity anxiety experienced in the region and helps construct a dialogue between postcolonial theory and the Anglophone literatures of Singapore and Malaysia A

chronologically ordered selection of texts is examined including Swettenham Bird Maugham Burgess and Thumboo This genealogy of works includes colonial travel writings and sketches as well as contemporary diasporic novels by Malaysian and Singapore born authors based outside their countries of origin The premise is that home is a physical space as well as a symbolic terrain invested with social political and cultural meanings As discussions of politics and history augment close readings of literary works the book should appeal not only to scholars of literature but also to scholars of Southeast Asian politics and history

The Action-Adventure Heroine Sandra Wilson Smith, 2026-10-25 Found in scores of eighteenth and nineteenth century American narratives the action adventure heroine leaves the domestic space to pursue an independent adventure This bold heroine tramps alone through the forests demonstrates tremendous physical strength braves dangers without hesitation enters the public realm to earn money and even kills her enemies when necessary Despite her transgressions of social norms the narrator portrays this heroine in a positive light and lauds her for her bravery and daring The Action Adventure Heroine offers a wide ranging look at this enigmatic character in eighteenth and nineteenth century American literature Unlike the tomboy or the American frontierswoman this more encompassing figure has been understudied until now The action adventure heroine has special relevance today as scholars are forcefully challenging the once dominant separate spheres paradigm and offering alternative interpretations of gender conventions in nineteenth century America The hard body action heroine in our contemporary popular culture is often assumed to be largely a product of the twentieth century television and film industries and therefore influenced by the women s movement however physically strong agile sometimes violent female figures have appeared in American popular culture and literature for a very long time Smith analyzes captivity narratives war narratives stories of manifest destiny dime novels and tales of seduction to reveal the long literary history of female protagonists who step into traditionally masculine heroic roles to win the day Smith s study includes such authors as Herman Mann Mercy Otis Warren Catharine Maria Sedgwick E D E N Southworth Edward L Wheeler and many more who are due for critical reassessment In examining the female hero with her strength physicality and violence in eighteenth and nineteenth century American narratives The Action Adventure Heroine represents an important contribution to the field of American studies

Edward Said's Concept of Exile Rehnuma Sazzad, 2017-02-10 Edward Said was an exiled individual the out of place Palestinian in the USA He saw the consequences of the 1948 dismantling of Palestine and the establishment of Israel through his parents experiences and through the collective statelessness imposed on the Palestinians His own personal experience of exile intensified when he moved to the USA Yet despite the significance of exile to Said s life and work no scholarship has yet focused on this theme in his writings or traced its ongoing applicability and importance Rehnuma Sazzad fulfils this pressing need in literary and cultural research by providing the first comprehensive definition of Said s theory of exile and revealing its legacy in relation to five Middle Eastern intellectuals Naguib Mahfouz Mahmoud Darwish Leila Ahmed Nawal El Saadawi and Youssef Chahine Sazzad argues

that for Said the ideal intellectual is a metaphorical exile This exile does not have to be spatially disconnected from a homeland but must demonstrate a willing homelessness through specific strategies and techniques By selecting a novelist poet feminist filmmaker and essayist Sazzad shows how intellectuals from diverse fields become part of the Saidian discourse through the expression of these exilic qualities The book creates a portrait of redoubtable intellectual practice and in the twenty first century context when the frontiers of belonging are constantly redrawn Edward Said s Concept of Exile adds new depths to discourses of resistance home and identity
