movies whose career does not have a happy ending All of them connected by a lost manuscript written by one of the twentieth century s greatest writers That is if it exists At the heart of this multi faceted narrative is Lucia Joyce James Joyce s daughter and muse a brilliant and visionary woman whose life remained shadowed by the specter of madness Was she the recipient of her father s last masterwork Where are the letters that would tell her story Would she have shared his final work if she had ever been released from the mental institution where she languished her entire adult life The Last Words of James Joyce is a modern day literary treasure hunt feverishly churning through the worlds of social media academic conferences sanitariums porn movie sets and late night diners with a cast of characters who d be right at home in the most wild Joycean fantasy all drawn by the prospect of the literary find of the century an unpublished work by the master modernist and literary icon himself Both playful and profound this modern quixotic adventure explores the life of a neglected and heroic woman and her legacy as the keeper of strange and dark secrets and the scramble for fame fortune and infamy that her silence spawned But as this novel reminds us some voices simply can t be stilled not by time death or deceit and what we think are lost words sometimes turn out instead to be last words
