Violent Prayers for Supernatural Financial Breakthroughs Samantha Smith, 2019-05-30 One day I was in my room and I was thinking and I was like God if only you would drop an idea in me that will make me financially buoyant for a lifetime Unluckily for me I just got sacked after only three months of getting a new job I was PERPLEXED and frustrated until the day I prayed in my heart and the Holy Spirit said Hey Sammy pick up your pen I was like Pick up my pen You wouldn't believe it but that pen I picked up that day made me financially established up until now Until you believe in God and have complete faith in Him you might struggle to stand out in life I made the MONEY I never made in several years in one year all because of some powerful prayers I prayed This led me to ask God Won't You even wait for me to call before You answer His reply was No There is a company of people who before they call I answer and while they are yet speaking I am on the line to perform You can provoke HEAVENLY response without utterance You can secure divine financial interventions without crying your eyes out The violent prayers in this book do not cancel or take the place of speaking and making UTTERANCES in prayer it is only an extra depth in communicating with God It is knowing how to position yourself in the realm of answers without tears A realm where God contends with all that fight with you without you having to ask Him It is a realm where God silences all the PARASITES eating up your financial blessings It is a realm where you can reach heaven and receive from heaven a realm where you compel things to happen on their own accord So winning the financial war is not only a function of INTERCESSIONS supplications and prayers of agreement other direct avenues to God bring you victory without a sweat I call it operating God's private lines the violent prayer frequency If you want to be a SUCCESSFUL thinker there is a need to separate yourself from the noise and row of activities and create quietness around you It's time to work on your IMAGINATION so that you can be free from all frustrations Your vision is a pace setter for your destiny it determines how far you go in life That means you must put a leash on your mind so it doesn't lead you to destruction Let me be honest with you financial breakthrough will never be possible if you don't conceive financial BUOYANCY in your mind Whatever your DESIRE from God act it and God will respond If He responded to Ahab that wicked king how much more will He respond to you the son of His love If you believe that when you pray according to His will God hears you and that if He hears you have received your PETITION then act it Stop looking sorrowful and mournful because no good thing will He withhold from you After praying these prayers don't tell me you are jobless and then stay at home all day SLEEPING You should get up every morning dress up faster than those who have jobs and be on your way out If anybody asks where you are going say I'm going to work You have PRAYED to God for a job and He has heard you but the job won't come to you on your bed you have to go for it Don't tell me you are broke after you have prayed to be financially stable When you pray these prayers believe it will come to pass If you desire to be strong and you say you are strong then look strong Act wealthy and you will be prosperous When you allow God's Word to determine your actions you can't miss divine intervention Don't only confess your desires act it Let it
