Preces

O Lord, open thou our lips,

And our mouth shall shew forth thy praise,

O God, make speed to save us,

O Lord, make haste to help us,

Glory be to the Father, and to the Son, and to the Holy Ghost;

As it was in the be - gin - ning, is now and e - ver

The Preces and Responses Gerald Hendrie,1981 **The Preces and Responses** Thomas Tallis,1985 *Thomas Tallis and His Music in Victorian England* Suzanne Cole,2008 A survey of the huge importance of Thomas Tallis the Father of Church Music on Victorian musical life In Victorian England Tallis was ever present in performances of his music in accounts of his biography and through his representation in physical monuments Known in the nineteenth century as the Father of English Church Music Tallis occupies a central position in the history of the music of the Anglican Church This book examines in detail the reception of two works that lie at the stylistic extremes of his output Spem in alium revived in the 1830s though generally not greatly admired and the Responses which were very popular A close study of the performances manuscripts and editions of these works casts light on the intersections between the antiquarian liturgical and aesthetic goals of nineteenth century editors and musicians By tracing Tallis s reception in nineteenth century England the author charts the hold Tallis had on the Victorians and the ways in which Anglican and English identity was defined and challenged
