**In It To Win It: Intercessory Ministries Simplified , Turning Controversy into Church Ministry** William P. Campbell,2010-09-21 One of the most volatile issues facing the Western Church is also one of the least discussed homosexuality Many pastors church members and congregations have become tired of the debate surrounding this topic but do not really understand the issues Pulling away from this controversy doesn't seem to help it keeps cropping up Ninety percent of pastors are aware of members or visitors to their churches who struggle with homosexual tendencies and the same percentage of churchgoers know a relative or friend who wrestles with this concern The media school systems and nearly every sector of society will challenge Christians to give a reasoned response to the escalating gay agenda For twenty five years W P Campbell has studied and debated this topic as it relates to Christ's Church He has come to the conclusion that it will not go away in our generation but it can be coaxed to find its proper place in any congregation when it is tackled with a firm but loving grip Homosexuality in the Church is a guidebook to help Christians and whole congregations do just that It faces the heart of the controversy with the love and compassion of Christ and turns it into effective ministry Framed by the most significant biblical passages related to homosexuality and supported by science psychology and sociology each of the five parts of the book unfold a unique aspect of God's person and purpose As our Creator he has made us to be whole as our King he has provided laws and guidelines to help us remain that way as our Redeemer his power can save us from sin as our Guide his light will guide us out as our Strength he will make our ministry effective As a resource for the church today this book will Provide readers with a comprehensive overview of the biblical data about homosexuality Inform readers about current scientific psychological and cultural findings related to same sex practice Teach readers Christ like responses to gay rights activists in the Church and help them to know how to avoid extreme stances about homosexuals and the Church that result in alienating others or in supporting sexual sin Offer guidelines and tools to church leaders for mobilizing a congregation to study this topic and to engage in ministry to recovering homosexuals **Association Men** ,1921 *The Chocolate Cake Principle* Nancy Angove,2007-03 God has given believers access to Him anytime anywhere and they can draw on that presence for their needs His presence should be trumpeted throughout the Earth daily according to Angove Practical Life *Armed* Eric M.Whitley,2022-02-15 Equip your church to pray with power Intercession is one of the most important ministries within a church However many churches fail to achieve their kingdom goals because they don't have a dedicated team of committed and enthusiastic intercessors consistently praying for the needs of the congregation Armed will give you the tools you need to develop an intercessory prayer team that prays with power to tear down strongholds and release God's will in your church and community Each chapter contains tested principles for developing and managing intercessors who know their spiritual authority are unified with the church and operate in their spiritual gifts Whether you're establishing a new team or looking for better ways to manage an existing team Armed will equip you with everything you
