[PMP Certification: Excel with Ease 2/e](#) Subramanian Chandramouli, 2013. PMP Certification: Excel with Ease is a self-study guide and is essential to all Project Management Professional aspirants to clear the certification examination. The book is based on A Guide to the Project Management Body of Knowledge (PMBOK® Guide) fifth edition, which presents a set of standard terminology and guidelines for project management. **Mastering Project Management Strategy and Processes** Randal Wilson, 2015. Mastering Project Management Strategy and Processes gives managers powerful insights and tools for structuring and managing any project based on business strategy and how that project will be used. Starting with project objectives, it demonstrates how to establish processes that optimally group actions at each stage of the project lifecycle, thereby maximizing the likelihood of success. This book is part of a new series of six cutting-edge project management guides for both working practitioners and students. Like all books in this series, it offers deep practical insight into the successful design, management, and control of complex modern projects. Using real case studies and proven applications, expert authors show how multiple functions and disciplines can and must be integrated to achieve a successful outcome. Individually, these books focus on realistic, actionable solutions, not theory. Together, they provide comprehensive guidance for working project managers at all levels, as well as indispensable knowledge for anyone pursuing professional certification or other accreditation in the field.
