A Combat Advisor's Guide to Tribal Engagement Patrick James Christian, 2011 This book was written as a source of information and instruction primarily for government and contractor personnel engaged in the conduct of combat advising tribal engagement, provincial reconstruction, social development, and conflict resolution at the tribal, foreign, military, government, or other sub-cultural level. It will also be of interest to the families and friends who remain behind and find the ongoing conflicts in Iraq, Afghanistan, Pakistan, Africa, and Latin America incomprehensible. They may find that this guide helps to clarify at least the intended goals, if not the methodology that deployed personnel are supposed to be following.

Reviews: I finally finished Patrick Christian's work and can say it is one of the best perspectives I have read lately on tribal engagements. I will certainly keep it as a guide for any future deployments.
