

A spectrogram of a musical piece, showing frequency content over time. The plot is on a grid with a light blue background and darker blue grid lines. The vertical axis represents frequency, and the horizontal axis represents time. The spectrogram shows a complex pattern of energy, with a prominent horizontal line of energy in the lower frequency range, and several diagonal lines of energy extending upwards and to the right, indicating a rising pitch or a specific musical motif. The overall appearance is that of a detailed frequency analysis of a sound signal.
