

Project Budget Items and Sample Budget

A budget for PMO operations typically includes items such as:

- Recruitment of operational and support staff
- Training for and initial meeting
- Communications
- IT support
- Meetings and workshops
- Operational vehicle and gas item
- Security fund
- Establishment of sub-offices (see Annex B)
- Purchase of office

Make sure that your estimates are realistic. Include provisions for each budget line. Use standard rates for staff, and just estimate all others, and include immediate allowances where relevant.

Include provision for a local finance and administrative staff member to track expenditures and prepare spreadsheets, including tables and reports.

Include items (purchase of local operating equipment) such as:

- Running costs of a sub-office (rent, rates, electricity, phone bills, water, security, maintenance)
- Maintenance of office equipment
- Office stationery and supplies
- Car maintenance and repairs
- Fuel for generator and vehicles
- Mobile (contracted) phone bills
- Computer and internet connection
- Miscellaneous contracts for the provision of local services
- Security expenses (door guards and armament)
- Insurance

Use \$20,000 per month as a very rough estimate, pending detailed information on local costs.

Include general management, monitoring and reporting (PMO) costs to the PMO and HQ at a standard rate of 10% on the total cost of the activities, except in projects for ECHO operations.

Include programme support costs (PSC) – usually 100% PMO on the appropriate PSC rate to be used – under [“Programme Support Costs”](#). PMO is applied to a country covered by 200% CAP or 100% Support, a country or region for which ECHO Operations Committee has approved a 7% rate, and for ECHO grants. The rate is 10% for other countries.

See 1.1 [ECHO Budget Model](#) at possible options for a 7% PSC rate.

For guidance on PMO and PSC, see 1.1 [ECHO B.U.](#)

For more guidance on standard costs and budget formats, see the budget planning table in 1.1 [ECHO B.U.](#) ECHO B.U. also includes a 24-hour table structure: PMO and PSC costs, and a sample completed budget.
