The action takes place in a hedge-school in the townland of Bule Begh Ballybeg, an Irish-speaking community in County Donegal.

- ACT ONE: An afternoon in late August 1853.
 - ACT TWO: A few days later.
 - ACT THREE: The evening of the following day.
- One interval—between the two scenes in Act Two.

Act One

The hedge-school is held in a dilapidated barn or hay-shed or byre. Along the back wall are the remains of five or six stalls—wooden posts and chains—where cows were once milked and bedded. A double door left, large enough to allow a cart to enter. A window right. A wooden stairway without a banister leads to the captain's living-quarters (off) of the schoolmaster and his son. Around the room are broken and forgotten implements: a cart-wheel, some lobster-pots, farming tools, a bottle of hay, a churn, etc.
