is taking off and now she and her husband can have the life they've always dreamed of in a lovely Irish town at least in theory. But when your husband takes you for granted and your teenage daughter hates you, an adoring old flame can spell danger to your seemingly perfect life. Fortunately, Abby has her friends to keep her sane. For starters, her best friend Sally owns a beauty salon, and Sally and her husband throw fantastic parties where there are still more friends to be made. Just be sure to share Sally's friend Lizzie makes time for everybody: her gal pals, her grown children, even her ex-husband. But when her ex finds someone new, Lizzie can't help but wonder if she'll ever love again. The women are all thrilled to meet Erin, who has moved home to Ireland from Chicago for her husband's new job. But is she cut out for small town life, and what of the family she left behind years ago? Together and on their own, these four women are about to face highs and lows they never anticipated. Only from each other can they learn that life is for the living and that they need to grab it with both hands. Looking Good . . . Every Day Nancy Nix-Rice, 2014-09-01. Any woman can look and feel lovely regardless of her age, bank balance, or pant size, and Looking Good Every Day defines a simple yet sophisticated standard for women to determine exactly which clothes and accessories will showcase their unique beauty. The points of connection method explains that the more characteristics that exist in common between a woman and her outfit, the more lovely she will look. It shifts emphasis from hiding her perceived figure challenges and focuses on spotlighting her personal assets. By choosing wardrobe additions in this way, everything in her closet will work together. She has more outfits from fewer garments, allowing her to buy higher quality garments without increasing her budget. Photography of real women ranging from 22 to 80 years old and from size 4 to 24 illustrates the universal impact points of connection make in their appearance. **The Great British Sewing Bee: Back to Basics** The Great British Sewing Bee, Caroline Akselson, 2024-04-18.
