Contemporary contributors include Winston Davis Sidney Hook Robert Alun Jones Karl Menninger Sam Preus Philip Rieff
Robert Segal Georges Sorel George Stocking and William Dwight Whitney Contemporary Theories of Religion Michael
Stausberg, 2009-06-19 Interest in theories of religion has never been greater Scholars debate single theoretical approaches in
different scholarly journals while the new atheists such as Richard Dawkins and Daniel Dennett criticize the whole idea of
religion For everyone eager to understand the current state of the field Contemporary Theories of Religion surveys the
neglected landscape in its totality Michael Stausberg brings together leading scholars of the field to review and discuss
seventeen contemporary theories of religion As well as scholars of religion it features anthropologists archaeologists
classicists evolutionary biologists philosophers and sociologists Each chapter provides students with background information
on the theoretician a presentation of the theory s basic principles an analysis of basic assumptions and a review of previous
critiques Concluding with a section entitled Back and Forth Stausberg compares the different theories and points to further
avenues of discussion for the future **Religion, Theory, Critique** Richard King, 2017-07-18 Religion Theory Critique is an
essential tool for learning about theory and method in the study of religion Leading experts engage with contemporary and
classical theories as well as non Western cultural contexts Unlike other collections this anthology emphasizes the dynamic
relationship between religion as an object of study and different methodological approaches and openly addresses the
question of the manifold ways in which religion secular and culture are imagined within different disciplinary horizons This
volume is the first textbook which seeks to engage discussion of classical approaches with contemporary cultural and critical
theories Contributors write on the influence of the natural sciences in the study of religion the role of European Christianity
in modeling theories of religion religious experience and the interface with cognitive science the structure and function of
religious language the social scientific study of religion ritual in religion the phenomenology of religion critical theory and
religion embodiment and religion the impact of colonialism and modernity theorizing religion in terms of race and ethnicity
links among religion nationalism and globalization the interplay of gender sex and religion and religion and the environment
Each chapter introduces the topic identifies key theorists and issues and respects the pluralistic nature of the scholarship in
the field Altogether this collection scrutinizes the explicit and implicit assumptions theorists make about religion as an object
of analysis **Ten Theories of Religion** Daniel Pals, Religion James Thrower, 2019-08-08 What is Religion This is the
first text to review in a single volume the theories of religion which have been put forward by both believers and non
believers Why theories of religion After raising and answering this question the author begins his examination of theories of
religion by first looking at the explanations given by religious believers Revelation and Religious Experience He then
considers the views of thinkers who have sought to transform religion into philosophy Plato Kant and Hegel before reviewing
the theories of those who have seen religion as arising out of errors in primitive thinking Tylor Frazer and Levy Bruhl and

those masters of suspicion as Paul Ricoeur has called them Feuerbach Nietzsche Marx and Freud who offered what they believed to be exhaustive psychological and sociological theories of the origin and nature of religion In the course of his discussion the author also engages with many contemporary thinkers whose discussions of religion have been based on these classical accounts In a brief conclusion the author tries to assess the future of the religions of the world in light of the increasingly close inter religious encounters that are becoming a feature of the global village of the twenty first century

Key Features Comprehensive survey of the field Theories will be considered against the phenomenon of religion world wide Theories offered in a way that lets the student make up his or her own mind
