The Grace Of God Andy Stanley:

The Grace of God Andy Stanley, 2011-09-12 In order to be a people of grace we have to understand the story of grace and how grace transforms us Grace is more story than doctrine It s more than forgiveness or compassion It s undeserved by definition essential to salvation And it turns out that God s grace though it s the only thing we stand on and the only thing we should stand for is the very thing that we consistently distort and hesitate to extend to others Why is that Even now as we think about the simple and unconditional nature of grace our instincts cling to complexity and conditions We wonder What does grace have to do with justice or judgement How does grace overcome repeated misbehavior or bad habits To understand the story of grace what it means and how it s misunderstood why we need it and how it was given to us we have to begin at the beginning Follow Andy Stanley as he traces the story of grace through the Old and New Testaments of the Bible peering into the lives of biblical characters to discover how each story reveals grace to be God s preeminent characteristic from the very beginning See the narrative of Scripture in light of this grace as Pastor Andy reveals Why creation itself was an act of grace Why grace is inviting to the unrighteous and threatening to the self righteous Why grace is so predictably unpredictable Why no effort of ours can add to God s grace Combining biblical study personal story and an urgent message to today s Christians and churches **The Grace of God** is Andy Stanley s clearest most powerful message on the thing that defines our relationship with our God and with one another

Repentance Osilama Osime, 2022-04-26 This book reflects on man s unworthiness before God and why we must repent of our sins to enjoy salvation The author explains why repentance is such a significant pillar of salvation the basis for the coming of Christ and the theme of His message He observes The word forgive is used twice in the Lord s Prayer but the process implied by forgive us differs from as we forgive The two sides of the narrow gate of salvation are believing in the Son of God and repentance from sin Seeking God s forgiveness through repenting of our sins is a crucial ingredient to salvation and reconciliation with God in the hereafter and afterlife With the Gospel of Christ there is the offer of an opportunity to repent and obtain forgiveness for all violations When He sent His disciples out in pairs they went and preached repentance

Leaving Left Behind Mike Wilson, 2021-01-19 Positive psychologists have proven that positivity leads to success but most Christians in America have chosen to believe a single eschatological theory that leads to pessimism and cynicism Pessimistic Christians put themselves in Christian bubbles and focus on self preservation and when a mind is clouded by negativity interpretations of biblical prophecy lean toward the pessimistic possibilities The fantastic writing of the Left Behind books has popularized premillennial dispensationalism with good intentions but that interpretation of biblical prophecy teaches that sinfulness will continually increase until Jesus throws up his hands in disgust and secretly raptures worthy Christians leaving behind unworthy sinners to suffer the wrath of the antichrist Teaching that questionable theory produces negativity that hinders the Christian mission When Christians believe that they cannot succeed in leading most of the world to Jesus they will fail to put in the effort that success would require Jesus on the other hand taught his followers that nothing will prevail over his church and that teaching inspired them to sacrifice everything for the Christian mission This is not a promise of prosperity without effort or of inevitable success but biblical positivity is an energizing force that will help Christians flourish
