A. A. Zupan, 2017-11-25 Making your wardrobe work for you is really quite simple once you decide to make your clothing choices fit you and fit your life End the stuffed closet but nothing to wear syndrome forever *Capsule Wardrobe* Nancy Rose, 2018-11-23 Is your closet jam packed and yet you have absolutely nothing to wear Can you describe your personal style in one sentence If someone grabbed a random piece from your closet right now how likely is it that it would be something you love and wear regularly Our choice of clothing reflects not only our fashion sense but also our personality For example you can easily distinguish between a serious conservative business person and an artistic free spirit simply by the way they are dressed In either of these cases and everything in between the majority of people tend to either try to keep up with the latest fashion trends or they try to make a statement by breaking fashion norms Like it or not the common tendency among women is to buy clothing and accessories on a whim Although men are capable of this as well it seems to be a problem that is much more prevalent for women When we see something we like we buy it even if we don't know when or where to wear it To justify these impulse purchases we simply tell ourselves that we'll find some use for it in the future Because of this reckless habit we have piles of clothes in our closets waiting to be worn How many times have you found yourself frustrated looking for the right clothes to wear Why is it that after digging through your closet for half an hour you still can't find anything good to wear If this describes a scenario that you're all too familiar with then it's time to admit it you have a wardrobe problem that needs to be addressed immediately This may sound far fetched but a wardrobe problem can negatively affect your day by causing a great deal of unnecessary anxiety If you haven't picked out your outfit the night before you find yourself stressed out first thing in the morning as you try to determine what to wear This is not exactly the best way to start your day After work has concluded you may have realized that the stress caused by your dysfunctional wardrobe has caused more damage to your day than you could ever expect Armed with this realization you know it's time to do something drastic Perhaps by now you have already thought of throwing away everything in your closet and starting a whole new wardrobe from scratch Well that's a start but what's next Chances are it won't be long before you resume your old habit of filling up your closet with useless clothes and voila You're back at it with the same old wardrobe dilemmas Here's a

better solution A capsule wardrobe is the answer to your problems Although it may be hard to believe that just a few dozen well chosen clothing items and accessories can keep a woman properly dressed for any occasion that s exactly what a capsule wardrobe does Not only will it prevent you from buying the wrong clothes it will also spare you from the stress caused by having a dysfunctional wardrobe with too many choices With this book you will understand how to create the wardrobe combination of your dreams and say goodbye to your frustrations It s time to clean up your closet declutter your mind and spice up your personal style If you are not satisfied with your purchase we offer you a 30 day money back guarantee Just scroll up and select the Buy now with 1 Click Button It s quick and easy One Click for a Happier You Satisfaction is 100% GUARANTEED [Capsule Craze](#) Rebecca Ellington,2017-12-14 Do you have so many clothes and outfits that they re practically spilling out of your closet the second you open it Despite that do you find yourself having little or nothing to wear and have difficulty keeping up with ever changing trends Fashion doesn t have to be complicated nor does it have to be expensive What if there was a method you could follow that would leave you looking and feeling radiant every single day Gone are the days of worrying about what shoes go with what dresses when you commit to the Capsule Wardrobe lifestyle With this comprehensive guide you ll learn how to Make the most of the bare minimum Declutter your closet Gain confidence and peace of mind Seamlessly interchange the same essential pieces to be worn in a variety of ways and for an even wider variety of functions Regain control as you transform your life and your style Stop scouring the internet for the latest trends and start building a wardrobe you can believe in One that makes you look as good as you feel One that accentuates all your finest features and minimizes the ones you re still working on perfecting But how can I function with only 20 pieces of clothing or less Enter the magic of a capsule that is as easy to build as it is to maintain By following this guide you ll see how effortless and useful a capsule wardrobe is to integrate into your life and it will leave you wondering how you ever survived with it Buy Capsule Craze A Comprehensive Guide To Building Your Own Capsule Wardrobe TODAY
