Leadership Data led decision making Financial impact Industry trends **Teach What You Know: Turn Your Expertise Into Profitable Online Courses From Scratch** Felix Clarke,2025-12-20 You have valuable knowledge now it s time to get paid for sharing it Whether you re a professional with years of experience a hobbyist with specialized skills or someone who s mastered a particular craft your expertise is worth money Online courses let you package that knowledge once and sell it repeatedly creating genuine passive income streams This practical guide walks you through the entire course creation journey from identifying your profitable niche to launching and scaling your educational business No technical degree required No massive following needed Just your knowledge and the willingness to share it You ll discover how to validate course ideas before investing time and money structure content that keeps students engaged and completing choose the right platform for hosting and selling your courses create professional videos without expensive equipment price your course to maximize both sales and profit and build an audience of eager students ready to buy Learn the proven frameworks for transforming scattered knowledge into organized transformative learning experiences Understand how to overcome impostor syndrome and recognize that you don t need to be the world s leading expert you just need to know more than your target students This book reveals the mistakes that doom most first time course creators from over complicated content to poor marketing strategies You ll discover the 80 20 approach which 20% of efforts generate 80% of course sales and how to focus your energy accordingly

Your Content Marketing Is Invisible Because Nobody Taught You This Charlotte Hayes,2025-12-06 You write blog posts create videos post regularly yet barely anyone engages Your content feels lost in a sea of noise You watch competitors get traction while your efforts produce crickets The frustrating part is you know your content is good yet it remains invisible This is not a reflection of your writing or creativity It is a reflection of your strategy and nobody has taught you the real system behind content marketing that actually works Most beginners approach content marketing backward They create first and hope people find it later They write about what interests them instead of what their audience actually needs They post sporadically and wonder why consistency does not matter They measure success by views instead of the actions that move the needle This book flips the approach and shows you the proven framework used by content marketers who build real audiences and generate actual business results You will learn what content marketing really is why it is one of the most powerful yet misunderstood strategies in digital business and how it differs from traditional advertising The book walks you through identifying your target audience with precision understanding what problems they are trying to solve and creating content that directly addresses those problems so people actually want to read watch or

listen You will discover how to plan content strategically instead of randomly how to repurpose one piece of content across multiple formats and channels and how to build a sustainable content creation system that does not burn you out [Public Relations in Asia Pacific](#) Mary Devereux, Anne Peirson-Smith, 2025-12-09 In this second edition Mary Devereux and Anne Peirson Smith have updated content regarding theory and provide examples of growing professionalism and cultural accommodation in the practice and management of public relations in some of the world's fastest expanding Asian economies
