Recalculating Lindsey Pollak,2021-03-23 A leading workplace expert provides an inspirational practical and forward looking career playbook for recent grads career changers

and transitioning professionals looking to thrive in today's rapidly evolving workplace. Covid 19 has heightened career uncertainty in a work landscape dominated by turbulence and change and it is directly impacting how people are entering or re-entering the workplace. But as Lindsey Pollak makes clear, the pandemic merely accelerated career and hiring trends that have been building. Changes that were once slowly spreading have been rapidly implemented across all industries. This means that the old job hunting and career success rules no longer apply. Job seekers of all generations and skill sets must learn how to thrive in this new normal which will include a hybrid of remote and in-person experiences, increased reliance on virtual communication and automation, constant disruption, and renewed employer emphasis on workers' health and well-being. While this new world is complicated and constantly evolving, you won't have to navigate it alone. For twenty years, Pollak has been following the trends and successfully advising young professionals and organizations on workplace success. Now she guides you through the changes currently happening and those to come. Combining insights from both experts and professionals across generations, she provides encouraging, strategic, and actionable advice on making lifelong decisions about education, building a resilient personal brand, using virtual communication to remotely interview, network, and work, skilling and reskilling for the future, and maintaining self-care and mental health. Like your personal GPS, Pollak equips you to handle workplace obstacles, helping you see them as challenges to navigate rather than impossible roadblocks. There is no perfect path to a dream career, but with **Recalculating**, you'll be prepared with the necessary skills and tools to succeed.

Our Best Work Nilofer Merchant, 2026-02-24 How can we fix what we can't see? The norms crushing innovation and our joy are finally made visible. All 24 of them. In **Our Best Work**, Nilofer Merchant names the 24 invisible norms born of hierarchy, control, and a worn-out model of capitalism that limit us all. Along the way, she dismantles some of management's most beloved ideas: Servant Leadership, Personal Branding, Speaking Up, Performance Reviews, Move Fast and Break Things. These aren't just ideas that fall short; they are daily routines that trap us in the past. Merchant exposes how and why they fail us. But it's not enough to know the problem; we must also know how to move forward. She lights the path to the future by providing the 24 leading indicators that bring out the best of us and the best of our teams. Each chapter closes with a concrete practice so teams can turn insight into action. Ranked among the world's most influential management thinkers by Thinkers50, Merchant brings an unmatched range of experience from her start as an administrative assistant to shaping strategy at Apple and early-stage startups to serving on corporate boards. She has experienced the realities of power from every seat at the table across industries and around the globe. Her ideas have already reshaped companies and their futures. With this incisive take, Merchant offers a clear and collective path to do our best work, including: Unlocking the essential source of innovation: new and novel ideas; Replacing competition with trust; Creating the solutions of tomorrow, not just today's profits. If you're tired of self-help fixes or the latest fads, **Our Best Work** offers another way by changing the rules of work itself.
