Confession Of St Patrick Beingmateore:

The Confession of St. Patrick , **The Confession of St. Patrick** Thomas Olden,2018-10-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Confession of St. Patrick* St. Patrick,2017-10-15 At the time of publication this is the only modern edition we have found in print or in digital format that contains Thomas Olden s extensive scholarly introduction and all of his notes and commentary This is the original and definitive edition If what you want is to really understand the Confession within its own context you cannot afford to buy another edition IT has been remarked by Lord Bacon in one of his happy illustrations that time is like a river which as it flows on bears on its surface only what is light and trivial while all that is solid and valuable sinks beneath its waters The history of St Patrick is an instance of the truth of this observation his real character was for ages unknown his name was associated in the popular belief only with puerile fables and ridiculous miracles and no one thought of doubting that the doctrines which he taught were those of the modern Church of Rome Of late years however it has been otherwise for extracts from his writings have been published and other proofs given that the popular traditions were unfounded and he has been shown to have higher claims on our esteem and admiration that was at one time supposed The source from which the most important evidence has been derived is the Confession which has been brought out of its obscurity and many passages of great interest quoted from it by various writers But as these however accurate they may be will not supply the place of the work itself nor afford as satisfactory evidence to the inquirer it cannot but be useful to render it accessible to the general reader by means of an English translation and to enable every one to judge for himself of the purity of the faith originally planted in Ireland It was with this object that the following work was undertaken The highest authorities at home and abroad consider it the genuine composition of St Patrick To this effect the learned Dr O Conor when quoting the testimony of Mabillon in its favour says with him agree Tillemont Dupin Ussher and others from whose judgment one should be rash or rather mad who would dissent without the strongest reasons To these may be added Sir H Spelman Dr Petrie who states it to be the general opinion of the learned and Dr Neander whose valuable testimony is given in these words This work bears in its simple rude style an impress that corresponds entirely to Patricius s stage of culture There are to be found it in none of the traditions which perhaps proceeded only from English monks nothing wonderful except what may be very easily explained on psychological

principles All this vouches for the authenticity of the piece The only writer of any learning who held a different opinion from these authorities was Dr Ledwich who having in his Antiquities of Ireland maintained the strange position that no such person as St Patrick ever existed was obliged to treat this work as a forgery His reasons for denying its authenticity are thus expressed No notice is taken of the education of our Apostle under St Martin Bishop of Tours or his relationship to him of his journeys on the Continent and his advancement to the episcopate of Ireland by Pope Celestine Now to the former objections it is easy to reply that the Confession is not a history of his life and therefore we ought not to expect such details and as to the last so far from affording any ground for suspicion it is one of the most satisfactory internal proofs of its authenticity for had it been a forgery of those later ages when the mission of St Patrick from Rome was invented so important a circumstance in his history would not have been omitted As Dr Ledwich when in search of objections to the Confession could not find any better than these it is evident that he was led to deny its authenticity not by such frivolous pretences but by his fancy that there was no such person as St Patrick

The Confession of Saint Patrick Saint Patrick, Aeterna Press, It has been remarked by Lord Bacon in one of his happy illustrations that time is like a river which as it flows on bears on its surface only what is light and trivial while all that is solid and valuable sinks beneath its waters The history of St Patrick is an instance of the truth of this observation his real character was for ages unknown his name was associated in the popular belief only with puerile fables and ridiculous miracles and no one thought of doubting that the doctrines which he taught were those of the modern Church of Rome Aeterna Press

The Confession of Saint Patrick John Skinner, 2010-12-01 The autobiography of one of the most popular saints in history now available in a new translation Beyond being recognized as the patron saint of Ireland perhaps for having chased some nonexistent snakes off the Emerald Isle little else is popularly known about Saint Patrick And yet Patrick left behind a unique document his Confession which tells us much about both his life and his beliefs This autobiography originally written in the fifth century and short by modern standards is nonetheless a work that fascinates with its glimpse into the life of an intriguing man and inspires with its testament of faith Here in this new edition from internationally acclaimed translator John Skinner the character of Patrick his era and his world vividly come to life Also included in this volume is the only other document known to have been written by Patrick a letter he wrote to the soldiers of Coroticus also Christians who had raided parts of Ireland and taken away prisoners who were then sold into slavery This letter is a wonderful demonstration of Patrick's rhetorical fire Quite irate Patrick harangues his fellow Christians and the results are every bit as autobiographically revealing as the Confession John O Donohue author of Anam Cara provides an insightful foreword that re-creates the unique spirituality of Patrick and of the Irish people and shows how it applies to our lives today

The Confessions of St. Patrick Saint Patrick, 2016-02-21 Patrick was the son of a Romano-British Christian who lived somewhere in the north of what is now England At sixteen years old he and many other of his people were taken captive into Ireland What follows is his own story of his realisation of God's purpose for his life In it he gives interesting and valuable

insights into the workings of his personal faith in Jesus Christ as well as into life in the fifth century. It also may be that this document was written partly for the purpose of responding to charges made against him by unspecified persons in his later years. The date of Patrick's birth is not known but it has been placed in the early years of the fifth century. His saint's day is celebrated on March 17th most lustily and inappropriately in America but it is doubtful that this is the actual date of his birth. There are two extant writings both believed to be genuine which are attributed to Patrick: the Confession and a letter to the British king Coroticus. Patrick has been adopted over the centuries by Irish Catholics as one of their own but the language of his Confession is free from any reference to Rome, the Pope, the Virgin Mary, church hierarchies or any of the other trappings of Roman Catholicism. Instead it is a simple statement more consistent with a New Testament style apostolic and evangelical Christianity. *The Confession of Saint Patrick*, 2013-01-22. Contrary to what many people believe, the Confession of Saint Patrick is not an autobiography. There are some autobiographical elements contained within but it's more of a long letter written towards the end of his life in defense of a personal attack made against him by those in a position of power and authority. The Confession is so steeped in theology and scripture that even in modern times Patrick's intelligence and education show through. Reading his Confession it becomes quite clear that no matter what else you might say about St. Patrick's intelligence or authority, he was definitely a person rooted in the Bible. St. Patrick's Confession will prove a good read for Christians and non-believers alike. Any good man's regrets or his handle on his faith should give anyone of conscience pause for personal reflection. No man save the one leaves this life innocent of sin and St. Patrick's Confession should endear him to everyone. *The Confession of Saint Patrick, Concerning His Life and Conduct*, Saint Patrick, 1859.

The Confession of St. Patrick [translated from the Latin]; with an Introduction and Notes. By T. Olden Patrick (st.), 1853. **The "Confession" of St. Patrick** Saint Patrick, 1924. **Confession of St. Patrick and Related Texts Including His Epistle to the Christian Subjects of the Tyrant Coroticus, St. Fiech's Metrical Life of St. St. Patrick**, 2021-11-22. A modern edition of Confession Of St Patrick and related texts including his Epistle To The Christian Subjects Of The Tyrant Coroticus St Fiech s Metrical Life Of St Patrick and The Tripartite Life Of St Patrick. *The Confession of Saint Patrick (Confessions of St. Patrick): With the Tripartite Life, and Epistle to the Soldiers of Coroticus (Aziloth Books)* Saint Patrick, 2012-06. Born in Britain around 390 AD, St. Patrick was taken as a slave to Ireland at the age of 16. Instigated by divine dreams, he escaped to his native land and became a priest until obeying further dreams he returned to Ireland as a bishop around 432, converting many and establishing the first Irish church at Armagh. He died in Down around 460. The Confession of St. Patrick and Letter to the Soldiers of Coroticus are both written by the Saint himself. The Confession was penned as a response to unfounded attacks on Patrick's integrity while the Letter derives from a slave collecting attack undertaken by soldiers of the Scottish Christian King Coroticus and reveals Patrick's incandescent rhetorical style. Both these unique documents open a window to the voice of the Saint speaking more than 1500 years before our own time. The Tripartite
