Principles Of Finance Scott Besley:

Principles of Finance Scott Besley, Eugene F. Brigham, 1999 The first course in finance for finance and business majors has traditionally focused solely on managerial or corporate finance Now many schools are indicating a need to introduce these students particularly the non finance business majors to the other two major components of finance institutions and investments in this first course but at the same level of rigour as traditional financial management texts The Dryden Press has answered this call with Principles of Finance This text begins with a discussion of the principles of financial systems and business organizations moves on to valuation concepts and then corporate decision making managerial finance It concludes with coverage of investment fundamentals Key chapters may be covered in a one term course or supplemented with cases and outside readings for a two term course Chapters are written in a flexible modular format allowing instructors to cover the material in a different sequence if desired

Principles of Finance Scott Besley, Eugene F. Brigham, Besley, Brigham, 2005-10 This supplement outlines the key sections of each chapter provides students with self test questions and also provides a set of problems and solutions similar to those in the text and in the Test Bank Because many instructors use multiple choice exams we include exam type questions and problems in the Study Guide
