

10 TIPS

To Find Cheap Flight Tickets any Time

1

Take advantage of airfare sales

Keep a watch on airfare sales online. Leading air-ticketing sites like Indian Eagle offer cashback or discount or secret deals on airfares from time to time.

2

Track regional fares

Keep tabs on regional fares to save more. For instance, if you're flying to Mumbai, check for cheap fares to nearby airports as well.

3

Enrollment in airline programs helps a lot

Enrolling in airline programs will earn you miles which make your next booking cheaper. You may also be able to exchange these miles for a business class upgrade.

4

Early morning deals are a good option

Look for early morning flights which are cheaper compared to those scheduled for later in the day.

5

Book in advance

Booking in advance will ensure you are privy to the lowest fares. Also, you won't be affected by airfare fluctuations that may occur at the time of your trip.

6

Ask for fare alerts

Those without the time to scan travel portals for low airfares can sign up with Indian Eagle for regular fare alerts.

7

Give low-cost carriers a chance

You will save massively by flying in low-cost carriers instead of major airlines. It may not be very luxurious but you can still expect to have a comfortable flight journey.

8

Don't travel during peak tourism

Peak tourism is the costliest time to visit any destination. Travel off-season to enjoy cheap airfares, discounted tour packages, and budget accommodation.

9

Keep your search history hidden

Keep your cookies cleared or use incognito mode to ensure your searches aren't stored and misused to inflate prices when you next search for flights.

10

Make effective use of your credit card

Check for offers meant exclusively for debit and credit card holders. For example American Express credit card holders should look for flight offers meant solely for this card type.
