Keyword Research 2021: a Definitive Guide Brian Conwell, 2020-07-20 Is getting a return on your investment of thousands of dollars per hour part of your plan You've probably heard that the best place to hide a dead body is on the second page of Google It's an expensive joke by the world renowned SEO gurus but practically true In fact statistics have

shown that less than 1% of internet users click results on the second page of Google. In short, if you rank on page two or beyond, you're practically invisible. That's why I have taken my time to create this comprehensive guide using practical examples and infographics to give an easy-to-understand overview of each topic. Even if you're not a techie expert by any stretch or a startup with no idea about SEO and needs to be spoon-fed the information, or you wish to save yourself some thousands of dollars hiring professionals, then this is the book for you. The wealth of ideas and solutions here include what I also learned from fellow insanely SEO experts like Neil Patel, Seth Godin, and Brian Dean to enable you to manage that business with finesse.

What Can I Learn In This Book? The killer and easiest way to conduct SEO keyword research. How to find keywords. How to choose the right keywords. How to analyze keywords based on searcher intent. How to use popular keyword research tools at no cost. Advanced keyword research tips. Also, I'm going to show you the best free tools out there, their features, and what makes them stand out. With this, even if you're a startup individual or an established company, the free tool ideas will help you improve targeting and review and improve the effectiveness of online campaigns at zero.
