Attacking 101: Volume #001 Joel Johnson,2012 The goal of the books in this series Attacking 101 is to provide detailed analysis of my own attack games played against lower rated players The players are all rated in the range of 1000 to 1800 the types of players you would frequently encounter at your local chess club local tournaments online and at home They make the same errors you regularly witness in your games but here you get to see a Chess Master dissect and exploit the moves show why they are wrong and how to punish the opponent s poor play back cover *Boys' Life* ,1970-06 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **Chess Openings** Todd Bardwick,2022-04-12 Chess Openings presents major and minor variations of commonly played opening systems This intermediate book in the Chess Detective series provides a base of knowledge to aid the reader in selecting opening systems that are right for them Easy to follow flowcharts show the major openings and variations separated into three main sections 1 e4 1 d4 and Flank Openings Opening main lines and frequently played alternative lines are presented along with a brief summary with middlegame objectives for each player

Coffeehouse Chess Tactics John Healy,2014-11-07 In 1988 his autobiography The Grass Arena catapulted John Healy to worldwide literary fame That harrowing tale described how Healy by discovering chess escaped alcoholism violence and crime Many fans have wondered how Healy did as a chess player In this book Healy uses over a hundred of his own games to show how unusual tactics or defensive motifs can turn the tide in any position Along with the games the author describes in eloquent but brutal language the beautiful sometimes terrible world of chess The prologue Blood Sport is a fine piece of vintage Healy non fiction A must buy book for chess lovers tactics buffs and Healy fans **My First Chess Opening**

Repertoire for Black Vincent Moret,2017-09-28 Every chess player needs to decide which openings he or she is going to play But where do you start The risk of drowning in the turbulent sea of chess opening theory is only too real for beginning amateurs Often your goals and ambitions will be misguided If you are trying to win in 20 moves copy what s in fashion among top GM s or memorize variations you are wasting your time Most likely you will never get to play your preparation and end up aimlessly switching from one opening to the other After the success of his volume for White experienced French chess trainer Vincent Moret now provides a complete ready to go chess opening repertoire for Black It consists of a sound set of lines that do not outdate rapidly do not require memorization and are easy to digest for beginners and post beginners To show the typical plans and the underlying ideas in the various lines of his repertoire Moret not only selected games of Grandmasters He also uses games of young improving players to highlight the errors they tend to make Chess Psychology: William Stewart,2013-07-16 In chess more than in any other game battles are won and lost in the mind US National Master William Stewart is convinced that a positive attitude is crucial if you want to develop and achieve success as a chess player and in this book he focuses on the vital subject of chess psychology All the key areas of chess are covered here

Stewart highlights the principles of successful opening play and outlines an easy to learn starting repertoire He also examines positional play defensive resilience typical mistakes and how to avoid them tournament strategy clock management how to study chess and much more besides This book is packed with tips and practical advice for beginners and intermediate players and anyone wishing to improve their mental approach to chess *The London System in 12 Practical Lessons* Oscar de Prado,2021-07-07 Oscar de Prado has revisited the London Chess Opening after the enormous success of *The Agile London System* the book he co authored in 2016 His new book has a more practical approach De Prado avoids long and complicated variations and concentrates on explaining straightforward plans clear cut strategies and standard manoeuvres
